

# Student Nutrition Program

PO Drawer 70, Anthony, NM 88021

**Website:** <http://www.gisd.k12.nm.us/>

**Telephone:** 575-882-6215 Or 575-882-6289

NOTICE-Due to national covid related issues with product availability, there will be menu changes done throughout the school year. However, we continually try our best to provide the best food and service to our students accordingly. Thank you for your patience and patronage.

## Child Nutrition Programs at Gadsden

### This month we celebrate NEW MEXICO GROWN PRODUCE

The New Mexico Grown Produce Program this year, will be working with three local farmers. They are, La Semilla, Anthony Youth Farm and Red Doc Farms. With local grown fresh produce we are able to provide delicious vegetables in our student meals. We've been getting cherry tomatoes, cucumbers, squash and eggplant!

Visit our choice of boxed salads daily in our middle and high schools. We offer chef, cobb, fajita, taco and more along with a fresh whole wheat hot roll, fresh fruit and choice of milk.

## Upcoming Events

**LET'S CELEBRATE . . .**

**NATIONAL SCHOOL LUNCH**
