Due Date: The First Day of School! - September 8, 2022

Dear incoming 6th grade families:

Welcome to East Side Middle School! We are looking forward to a school year filled with learning and fun. At ESMS, we believe that children are successful when parents, students, and teachers communicate and work together. We are concerned about each student's emotional and social well-being, as well as their academic progress.

We can't wait to start getting to know your child in September. Please respond to as many of the following questions as possible.

- ☐ What would you like us to know about your child academically, socially, and/or emotionally?
- ☐ What are his/her interests, strengths, and/or challenges?
- ☐ Does your child have a medical issue that we should know about (including allergies)?
- ☐ Does your child wear glasses?
- ☐ Has your child had an experience within the past few years that has had a dramatic emotional impact?
All information will be kept strictly confidential.
- ☐ Please provide contact information in your response: cell phone number and email address.

When school begins, you will find out who your child's homeroom teacher is. You can email your child's homeroom teacher(s) at the email address listed below or you can send a written response in a sealed envelope. Your child can give it to their homeroom teacher on the first day of school.

We also encourage you to contact your child's homeroom teacher(s) with questions and concerns. Have a wonderful summer!
