

Pearl River School District

Kindergarten Registration & Screening for 2020-2021

The Pearl River School District will hold a **registration and screening** for incoming kindergartners for September 2020 during school hours on the following four (4) days:

**Tuesday, March 3rd, Wednesday, March 4th,
Wednesday, March 11th, & Thursday, March 12th**

Children must be five years old on or before December 1, 2020 to be eligible for admission to kindergarten in September 2020. A birth certificate with raised seal or other official documentation providing date of birth, a copy of most recent physical, a record of immunizations, and two (2) proofs of residence within the Pearl River School District are required at registration.

Beginning Thursday, February 20, 2020, parents should contact any of the three elementary schools to make a screening appointment **for you and your child**. All actual appointments, however, will be held during school hours at the Pearl River School District Administration Building at 135 West Crooked Hill Road, as it streamlines registration and screening for our families.

If your child has already been registered for CPSE Services, Universal Pre-K, or was registered last year for kindergarten but did not attend, you should still call for a screening appointment. However, you should not fill out an online application. Instead, please call the registration office at 845-620-3913 to discuss the procedure for registering your child without an online application.

After calling to make your appointment, please complete your online registration prior to your scheduled appointment by visiting our website at www.pearlriver.org under “District News”.

In order to plan and provide for all new students, it is especially important that the district identify all children expected to enroll in September. Pearl River's three elementary schools - Evans Park, Franklin Avenue, and Lincoln Avenue - accommodate students in grades kindergarten through four. Enrollment is assigned across all three schools. While geographic boundaries serve as a general guideline, school assignment will depend on class size and special education and ENL programming. Families will be notified regarding building assignment in the summer.

For additional information or to schedule an appointment, please contact any one of the elementary schools during the hours of 9:00AM - 4:00PM on school days to ensure someone is available to take your call: Evans Park Elementary at 620-3950, Franklin Avenue Elementary at 620-3965, or Lincoln Avenue Elementary at 620-3850.
