ANNOUNCEMENT

Pearl River Lions Club

High School Scholarship Essay Contest

Guidance Counselors: Please distribute this announcement to senior students interested in participating in this scholarship essay contest.

Over the years the Pearl River Lions Club has given scholarships to deserving Pearl River High School seniors planning on a career in the helping professions (e.g., human services, social work, psychology). The scholarships are awarded through an essay contest judged by members of the Pearl River Lions Club. The most important considerations for this award as detailed the essays are the student's current community service and future education plans for a career servicing others.

This year, the Pearl River Lions Club will give one \$1,000 scholarship to the winner of the essay contest. Students are to write a 300 - 500 word essay on their experiences with community service, education plans, and one experience that had a strong effect upon them in choosing to make a career in a helping profession. The essays are to be submitted the Guidance Department no later than May 6, 2019, for forwarding to the Pearl River Lions Club for judging. The scholarship will be presented to the winning student at the high school's annual awards ceremony.

Thank you and good luck.
