

This month in: Third Grade

We are learning:

Reading: Learning to become better readers. We are learning how to complete a reading log, working on stamina, and reading comprehension.

Writing: Learning how to write a narrative story. First learning how to brainstorm ideas, develop a story, and learn how to write in sequential order.

Math: Learning how to graph by using data. We are learning how to make picture graphs, bar graphs, tally charts, and frequency charts.

Important Reminders

- Columbus Day,
October 8th **No
school**

News

- Homework is
starting
- Check over reading
log and sign it
