

## ***Spiritual Growth***

Children can grow in their personal relationship with God by daily communal prayer and frequent participation in Eucharistic liturgies and paraliturgical services.

## ***Safe Environment***

Students are provided with a clean, safe and nurturing environment. The strong family atmosphere creates a bond between home and school.

Sacred Heart School is an exceptionally close community where you will feel like you belong. We foster a positive, inclusive campus where a common respect and genuine concern for one another underlies all that we are and all that we do. Making our school a happy place is as much of a worthwhile pursuit as developing the school curriculum.
