March 16, 2020

Good morning, Clements Families!

The following is important information regarding our efforts to maintain instructional engagement during the next two weeks. Later today, resource documents will be available on the Clements Junior High School website. These resource documents will provide activities and/or websites that your students can access for at home learning opportunities. If you have limited internet access or would prefer paper copies of assignments, please call the school. Parents may pick up packets from the school between the hours of noon and 3:00 today. Per guidance from the Virginia Department of Education these learning opportunities will NOT be graded. They are for “at home” learning. Additionally, to maintain engagement with our students, teachers will host virtual office hours Monday through Friday where they will be available via email to answer any questions or provide additional support. The virtual office hours are as follows:

Department	Time
English Math Science History	10:00 am – Noon
Physical Education/Health CTE Electives	Noon – 2:00 pm
World Languages	9:30 am – 11:30 am
Learning Specialist(s) School Counselors	11:00 am – 1:00 pm

Also, if you have medicine in the clinic and were not able to pick it up prior to 10:00 am today, please call the school to arrange pick up this afternoon.

We understand that this situation is extremely challenging; however, we want your children to continue to excel in their studies. We encourage them to take advantage of each and every learning opportunity afforded to them. Please do not hesitate to contact me with any questions or concerns. Thank you for your continued support!

Jason S.Chandler
