### Verifying your identity

We'll try to check your identity before Election Day, through the DMV number (driver's license number or non-driver ID number), or the last four digits of your social security number, which you'll fill in below.

If you do not have a DMV or social security number, you may use a valid photo ID, a current utility bill, bank statement, paycheck, government check or some other government document that shows your name and address. You may include a copy of one of those types of ID with this form—be sure to tape the sides of the form closed.

If we are unable to verify your identity before Election Day, you will be asked for ID when you vote for the first time.
