Class Rank:	BSGE does not rank its students due our relatively small senior class size. The graduating class of 2024 has 95 students.
GPA:	BSGE does not calculate grade point averages. We encourage colleges and universities to evaluate our students based on the Pre-IB Program and IB Diploma Program grading scale of 1-7. Grade descriptors are provided with our student transcripts.
Courses:	<p>The Baccalaureate School for Global Education consists of both a Pre-IB Program (grades 7-10) and an IB Diploma Program (grades 11+12).</p> <p>The Pre-IB Program prepares students for the Diploma Program and New York State Regents Examinations, integrating five areas of interaction: Approaches to Learning, Environment, Community and Service, Health and Social Education and Homo Faber (Man/Woman The Maker). To enhance their academic program, all Pre-IB students are required to perform 100 hours of Community and Service activities.</p>

Courses (continued):

The Diploma Program is an advanced course of study leading to examinations in seven academic areas: English, Second Modern Language, Individuals and Societies, Experimental Sciences, Mathematics, and Visual Arts, and Technology. The academic content of the Diploma Program ensures that students develop mastery in the great traditions of learning: languages, humanities and the sciences. Participants are assessed by internal and external examinations, student portfolios and evaluated projects. Diploma candidates must also satisfy three special features in their program: a Theory of Knowledge course, a minimum of 100 hours of Creativity, Activity, and Service experiences and projects, as well as an Extended Essay of 4000 words.
