4 Things.....1

#1 Diabetes.....2

#2 Stress.....3

#3 Money.....4

#4 Theives.....5

Blue Flame.....6

4 Things

Say you could take four things, and destroy them.

Four things, that's it.

They can be anything, pictures, events, objects.

There's a fire, a powerful, beautiful, magical

Blue flame.

Anything that touches this flame would be gone.

You could put,

your deepest darkest secret into this flame and

Poof...

It's gone, never to be heard again.

Think about it for a second.

You can only choose four things.

It's funny.

You can think of things you want

Like a snap of the finger.

However, when it's something you want gone,

Your mind goes blank.

#1

Diabetes

A lot of people joke about this
But what they don't understand
Is it's an actual disease
Affecting actual people
I would get rid of this because,
I have been stuck with it,

For 6 years

I've dealt with blood sugars
High and Low

For 6 years

Diabetes

Type One and Two,
Is the first, into the
Powerful, beautiful, magical,
Blue flame

#2

Stress

The stress of,

Getting my homework done,

Setting an example,

Making it to all activities on time,

High scores, playing your hardest,

yet still missing shots

A downward spiral

A feeling I don't like to have

A feeling that no one wants to have

The feeling of stress

The second thing

To be destroyed in the,

Powerful, beautiful, magical,

Blue Flame

#3

Money

Money divides people

Rich

Poor

Why do we have to judge others

Based off of their wealth

Money divides others

So what if you're

Rich

So what if you're

Poor

No one understands this,

And that's why money is the third item,

Destroyed in the

Powerful, beautiful, magical,

Blue Flame

#4

Thieves

I think there are a lot more thieves in the world,

Than we had thought

Murderer's, burglars, bullies

All thieves

Murderer's steal people's lives

Bullies steal people's pride and self esteem

Burglars, take what's not theirs

Thieves,

This is the final object going to be destroyed in the,

Powerful, beautiful, magical,

Blue Flame

Blue Flame

The Blue Flame,
To take away the turmoil
As the flame dies,
I close my eyes.
As the flame dims in the night
I get a glimpse of inner light
I open my eyes and to my surprise,
The blue flame dies
Peace of mind and smiles upon my face
I cannot be in a better place
