Dear Elementary Families,

We are so excited to welcome our students back for daily in-person learning! We have a variety of fun and supportive activities in place to help facilitate this transition.

We understand that families have had many challenges during this pandemic. We would like to support your child and family as much as possible. If there are some concerns that you would like to share with us, we would like to be helpful.

Each elementary school building is filled with caring adults and have a number of supports in place. These include Social-Emotional Learning (SEL), Positive Behavior Intervention and Supports (PBIS), a School Social Worker, and a School Psychologist.

Listed below is the contact information for each clinical staff member, by building. Please reach out to them if your child or your family would like resources, information, or support.

Sincerely,  
Joe Simoni & the Elementary Clinical Team

Estimadas familias de primaria,

¡Estamos muy emocionados de darles la bienvenida a nuestros estudiantes para el aprendizaje diario en persona! Tenemos una variedad de actividades divertidas y de apoyo para ayudar a facilitar esta transición.

Entendemos que las familias han tenido muchos desafíos durante esta pandemia. Nos gustaría apoyar a su hijo y a su familia tanto como sea posible. Si tiene alguna inquietud que le gustaría compartir con nosotros, nos gustaría ayudarlo.

Cada edificio de la escuela primaria está lleno de adultos que se preocupan y cuentan con varios apoyos. Estos incluyen aprendizaje socioemocional (SEL), apoyo e intervención de comportamiento positivo (PBIS), un trabajador social escolar y un psicólogo escolar.

A continuación se enumera la información de contacto de cada miembro del personal clínico, por edificio. Comuníquese con ellos si su hijo o su familia desean recursos, información o apoyo.

Atentamente,

Joe Simoni y el equipo clínico de primaria
