Leonardo da Vinci, 4/15/1452 - 5/2/1519. He had no last name, "da Vinci" simply meaning "of Vinci" a place in Italy where he was born. He is widely considered to be one of the greatest painters of all time and perhaps the most diversely talented person ever to have lived. He was and is renowned primarily as a painter. Two of his works, the *Mona Lisa* and *The Last Supper*, are the most famous paintings of all time. As a scientist, he greatly advanced the state of knowledge in the fields of anatomy, civil engineering, optics, and hydrodynamics.
