Dear Kindergarten Meadow Pond Families,

Welcome to Meadow Pond Elementary School! We ask that you 'Save the Date' for our **Kindergarten Visitation** scheduled for **Thursday, September 2 at 1:45 p.m. at Meadow Pond Elementary School.**

Our plan is to welcome our incoming Kindergartners and invite them to the classrooms with their assigned teachers. Teacher placements will be posted on Infinite Campus Parent Portal on Monday, August 30 by 4 pm. We also plan to welcome parents/guardians into the school building during the visitation. Current health guidelines (i.e., masks, contact information and distancing) will be in place. However, please know that if guidance from New York State or our local health department changes, we will need to adjust our plan accordingly.

MPES PTO representatives will also be joining us for visitation to welcome you to the school community.

If you have summer plans that interfere with your ability to attend this visitation, please do not be concerned. The Kindergarten Teachers and staff take great care to ensure that all students feel comfortable and safe in their learning environment on the **first day of school, Thursday, September 9.** Kindergarten students will be met at arrival and escorted to their classrooms.

We ask that all Kindergarten families RSVP to this event. Please complete this [MPES K Visitation Link](#).

One great resource for new families is the school website, specifically the PTO page that can be found under the Parents tab, and then the MPES PTO tab. If you have not seen our supply list and would like to purchase items, please refer to the PTO website. If you wish to drop off your child's school supplies during the visitation, please feel free to do so. We encourage you to visit this part of our website regardless!

Information regarding transportation, meal plan and other important information about the upcoming school year will be communicated to all MPES families in late August. We look forward to meeting you, and if you have any questions, please call our school office at 914-763-7901.

Soon,
