What We're Learning

Reading: We are readers! We are building our reading stamina using the reading powers -"We Look" "We Think", "We Learn". We have introduced the letters Tt, Bb, and Ff and are practicing the letter sounds and words that begin with those letters.

Writing: We have launched the Writing Workshop and are working on adding details to our pictures and adding words to label our pictures.

Math: Chapter 1- We are practicing writing numbers 1-5 and counting objects with 1:1 correspondence up to 5.

Social Studies: We are learning about our school community and the people in our school community. We will continue study the different jobs in our school and the rules of the school community that keep us safe.
