Welcome Back!

Welcome back to PSMS 29 for the 2018-2019 school year! We are very excited about working with you and your child. We know we will have a successful and productive school year. This is an exciting time for you and your child as they work toward meeting the academic requirements to ultimately graduate from The Melrose School. It is our goal to make this the best year yet and prepare your child for the next chapter of their academic career. Please contact the 7th and 8th grade team at any time to discuss your child's growth and development.
