Dear PRHS Community:

Please note that we were notified of three (3) additional new positive test results for COVID-19 involving Pearl River High School staff members and a Pearl River High School student. As a result of communication with the Rockland County Department of Health, those individuals requiring quarantine have already been notified of this need, and that beyond this action, no additional action is necessary at this time. We continue to work with the Rockland Department of Health regarding needs related to contact tracing. Please continue to practice social distancing and proper hygiene as Covid-19 remains a threat to our community.

Contact us at (845) 620-3800 if you have any concerns or questions.

Please be well and stay safe.

Sincerely,

Michael J. Murphy
