What We're Learning

Reading/Writing: Our students have been introduced to all 26 letters of the alphabet and we are now reviewing the letters, the letter sounds and how to write the letters. We will continue reviewing the letters with making an alphabet book and fun songs and games like letter Bingo.

Math: We are making a number book to review our number recognition and counting from 1-10.

Science: Our butterflies are here. We enjoyed watching the caterpillars change into the butterflies and we know the Life Cycle of a Caterpillar! We will soon release our butterflies into the garden behind the school.

Social Studies: We enjoyed comparing ourselves to when we were babies and seeing how much we have changed and grown. In June, we will continue to learn about changes and growth in our *Transformation Unit*.

Songs/Dance: We are learning and practicing special songs for our Moving Up Ceremony. We can't wait to perform for our families.

Important

- Thursday, June 7-No School for all students (Teachers Professional Development)
- Monday, June 11 - No School for all students (Teachers Professional Development)
- Friday, June 15-No School (Holiday-Eid al-Fitr)

Pre-K Moving Up

Ceremony

Save the Date

On Monday, June 25th the Pre-K classes will have their Moving Up Ceremony.

The ceremony will be held in classrooms 103 and 105. Each student may have 2 adult guest due to limited space.

Reminders

- ◆ Attendance is still very important this time of year for your child's review as well as for learning our songs for the Moving Up Ceremony.
- ◆ Our school day begins at 8:20am
- ◆ We are a uniform school-navy blue pants/skirt and a yellow shirt.
