

April 2017

Dear Parents of incoming 5th Graders,

The reverse side of this letter contains a list of **recommended** supplies for 5th graders. This supply list reflects the continuous efforts of teachers, parents and students, to streamline organization for incoming 5th Grade Pearl River Middle School students.

Once again, we have partnered with Staples to offer parents a complete, pre-packaged school supply kit that can be ordered on-line and shipped directly to your child's homeroom teacher. Kits will be distributed to students the first week of school.

The cost for ALL supplies in this complete kit is \$54.30.

On the reverse, you will find the complete and specific contents contained in the Staples supply kit offered for on-line purchase. This kit contains items the 5th Grade Team believe will work best for students. Please note, however, a supply kit purchase is optional. Should you decide to purchase school supply items on your own, please know that certain items may not be readily available in all stores. You may always substitute for comparable items at your discretion.

Should you choose to take advantage of ordering a 5th Grade supply kit, please note:

Steps to order your kit(s) securely on-line:

1. Go to: www.shopttkits.com
2. Enter the school's account number (90800)
3. Follow the directions to complete your order
4. Choose the grade your child will be entering in the fall.

Teachers request that 5th graders **NOT** purchase any type of 3-ring binder, Trapper, Case-it, etc. They do not fit inside our desks and become cumbersome for students.

Also, please note:

To help teach important organizational skills, 5th grade students will **not be allowed** use of **string bags** for the first few months of the school year.

Thank you in advance for your cooperation with this.
