# Orangetown BIKE STUDY

Orangetown.com/bikestudy  
to learn more

Orangetown residents and visitors want safe cycling facilities, would like to see more cooperation between cyclists and motorists, and support funding bike safety improvements

## TOP BIKING CONCERNS FROM COMMUNITY SURVEY

Availability of bike lanes and trails

Availability of bike parking

Management of groups of cyclists

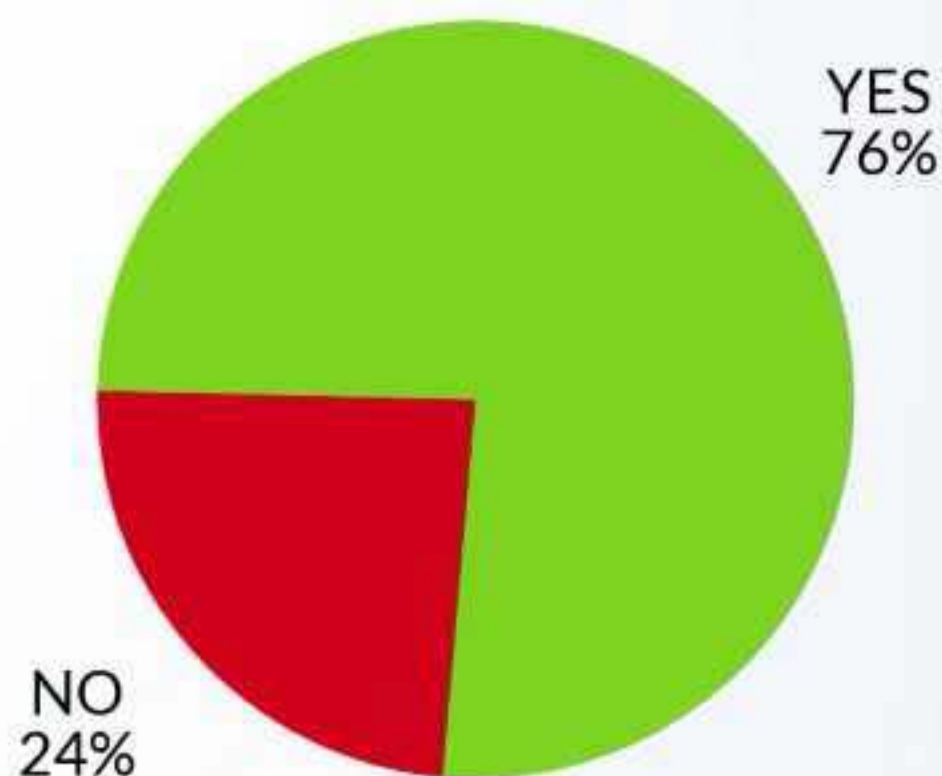

Motorists not sharing the road

Signage/Wayfinding

## 3 OUT OF 4 RESIDENTS SUPPORT FUNDING FOR BIKE LANES & TRAILS

Based on provisional results of Orangetown Bike Study Community Survey as of 12/4/17

"We have to load bikes on the car and drive to a park. I would like to bike from my house to downtown or just along local roads for exercise."

Pearl River resident

"There are no sidewalks or shoulders on South Main Street or Gilbert Avenue. It's extremely dangerous for my kids."

Sparkill resident
