Hydroponics Lab

Dinner with the Principal

Families remain informed about important academic and social emotional supports during February's Dinner with the Principal! This month's dinner emphasized Senior student supports.

Professional Learning

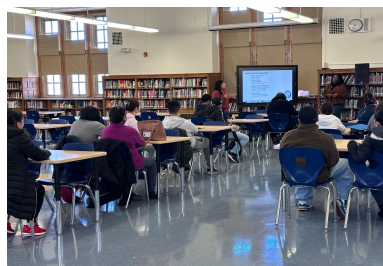

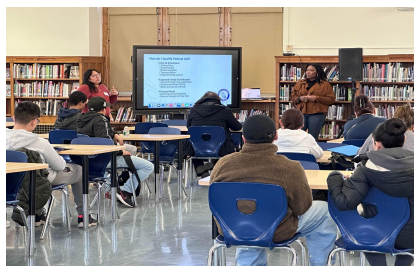

Teachers selected professional opportunities to engage in based on student needs.

Morning Basketball Club

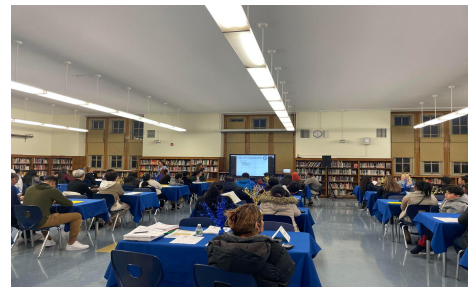

Students are motivated to get their daily activity in during the morning basketball routine.

FAFSA Frenzy

Guidance counselors and teachers supported students in filling out FAFSA applications for college preparation.

ENL Family Night

Families are informed of supports provided for multilingual learners during ENL Family night.

PSAL Highlights

- ★ Boy's basketball had an undefeated season and made it to playoffs.
- ★ Congratulations to the Bryant Boy's Wrestling team on an outstanding performance at Queens Borough Tournament.

National School Counseling Week

Black History Month Trip

Bryant celebrated our school counselors during National School Counseling Week!

In celebration of Black History Month, MSK & MBK students toured the Louis Armstrong House Museum.

My Brother's Keeper Exhibition

Probation Department Visit

My Brother's Keeper hosted an exhibition on mental health awareness and coping skills.

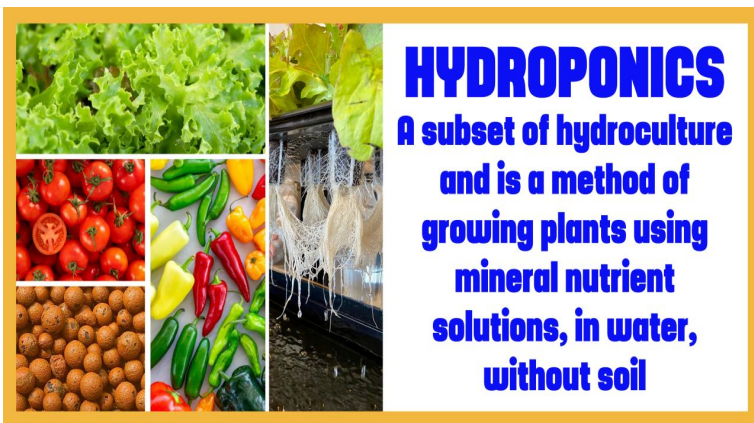

Bryant was visited by the probation department of the US Federal Court Southern District.

Valentine's Day Dance

Bryant students enjoyed music, food, and fun at our annual Valentine's Day Dance!

Hydroponics Lab Ribbon Cutting

Bryant welcomes a hydroponics lab! Thank you Congresswoman Nydia Velazquez. We are excited for our Hydroponic Lab and the enthusiasm it will bring to our hands-on science program.
