Summerville Elementary School School Accountability Report Card Reported Using Data from the 2015-16 School Year Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Profile

Summerville Elementary School is a kindergarten through eighth grade school. Twenty certificated classroom teachers, a Title 1, two Special Education teachers, and a principal staff the school. There is also a free after school program on campus which is open until 6:00 p.m. In 2015-16, the Title 1 program employed one full-time teacher and one part-time paraprofessional. The staff also included: a school counselor, four part time instructional aides, who work with Special Education children, three part-time instructional aides in the regular education classrooms, and one Indian Education/Title 1 instructional aide.

The school offers many different educational programs to meet the needs of our students. Many children get supplemental help during and after the school day. Among these programs are Title 1, Speech and Language services, art, adaptive P.E., a library and a computer lab. Title VII (Indian Education) tutoring, after school remediation, and tutoring/homework help is provided to students enrolled in the After-School Program. As you can see, we seek to serve our students in many different ways.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- · School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: 09/2016

Summerville Elementary held a public hearing on August 15, 2016, and determined that the school had sufficient and good quality textbooks, instructional materials or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and instructional materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of the teachers and principal. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in August 2015 about the quality and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Summerville Elementary was originally constructed in 1906 and is comprised of 25 classrooms, gym, multipurpose room/cafeteria, library, staff lounge, computer lab, and playgrounds. Recent modernization included the replacement of four portable buildings with new relocatable classrooms and upgrade of the school's computer network equipment. The new classrooms include a computer lab, Special Education Learning Center, After School Classroom and an Art Room.

Cleaning Process: The Superintendent works daily with the custodial and maintenance staff of 4 (2 full-time and 2 part-time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review. Maintenance and Repair District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. Deferred Maintenance Budget The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar–for–dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. For the 2015/16 school year the district allocated \$28,600 for deferred maintenance program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

An important aspect of Summerville Elementary School's operation is the involvement of the parents and the local community. Teachers, staff and administration maintain an "open door" policy. Parents and community members interested in assisting at school are always welcome. Last year, volunteers logged over 4000 hours working with students. Additionally, we know that many other hours were spent and were not recorded. We continue to ask for and appreciate volunteers. The administration would also like to acknowledge the special work done by the School Site Council and the Parent Teacher Student Association (PTSA).

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Summerville Elementary at 928-4291.

State Priority: School Climate

School Safety Plan (School Year 2016-17)

Safety of students and staff is a primary concern of Summerville Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated in March 2016 by the School Safety Committee. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster.

Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held twice a year. Students are supervised before and after school by certificated staff and classified staff, and classified staff and the principal supervise students during lunch. Certificated staff and classified staff help with supervision during lunch and break periods. There is a designated area for student drop off and pick up. Visitors are required to sign in at the office during school hours.

^{*}One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Professional Development (Most Recent Three Years)

Staff members build teaching skills and concepts by participating in conferences and workshops throughout the year, then sharing their experiences and knowledge with district colleagues. Staff Development in 2015/16 offered training for teachers in the following areas: Eureka Math curriculum, technology Integration and application support, special education (i.e., Response to Intervention and Autism), and Common Core Standards and Effective Teaching Strategies.
