

~PS 154 Specials 2024~

Music

During the month of February, we will focus on Black History. Students will discover the history of African American music in America. We will also study and learn music of one African American composer, singer or songwriter.

~Mr. Lowe (Kindergarten- Grade 5)

During the month of February, we will dive deeper into solfege and use our rhythm sticks to further our development of fine motor skills as well as our understanding of rhythm. In band, we are gearing up for our first school concert - Breakfast with the Band. Many of us are excited and we'd love to invite all parents on the 29th of February at 8:45 am. Come one, come all!

~Mr. Martin (Pre-K & Grade 5)

Gym

Hello Students and Parents of PS 154Q! For the month of February all students will be participating in Cooperative Games. Our focus will be to improve our communication and teamwork skills while participating in games and activities that require group work in order to achieve the same goal. Cooperative Games will incorporate skills from all the sports and games we have done so far this year.

~Mr. L (Kindergarten- Grade 5)

Art

During the month of February, students will be introduced to the many accomplishments of African American artists. As artists we will learn many techniques that these artists used to be successful. We as a community will also be introduced to many different medias in the art field.

~Mr. M (Kindergarten- Grade 5)

Math Lab & Computer Science

In the **Math Lab** for the month of February, we will focus on the domain, Measurement & Data. Students will explore money, time, length, perimeter, and area. Grade 5 students will be engaged in fraction activities to help them visualize fractional representations. We will celebrate the 100th Day of School on February 9th! ~Mrs. Vincent (Grades 1 - 5)

In **Computer Science**, Kindergarten-Grade 2 will be using Scratch Jr. to practice and improve their coding skills. They will learn about each group of coding blocks and create their own codes that combine different blocks. Grades 3-5 will complete the typing unit and then begin our unit on programming/coding. ~Mr. Nocera (Kindergarten- Grade 5)
