Fishing 1

The Best Mom Ever 2

My Brother is a Chicken 3

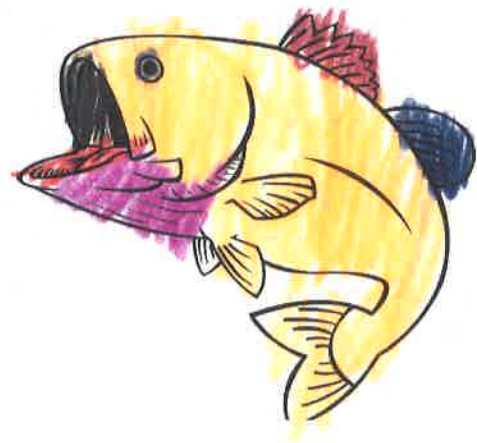

Fishing

I put a worm on my hook
And cast it out.

I wait for a bite,
"I have a fish," I shout!

I reel it in,
And Rachele cooks it for me.
She uses lemon, pepper and butter
It is delicious and tasty!

I dip it in the juice
That's on the plate,
I eat it with a fork
It tastes great!

The Best Mom Ever!

I love my mom because she gives me candy.

I love my mom her hair color is sandy.

I love my mom because she lets me watch tv.

I love my mom because she's free.

I love my mom because she's pretty.

I love my mom because she is funny and witty.

I have the best mom ever!

My Brother is a Chicken

My brother is afraid of worms-
Because he thinks they bite.
My brother is afraid^{of} the dark-
He uses a night light.

My brother is afraid to go downstairs-
He takes Chief so he's not scared.
My brother is afraid of fish-
He thinks they bite- you wish!

My brother is afraid of Big Foot-
He thinks he's going to eat him.
My brother is afraid of his own shadow-
He thinks it's a monster that's gonna get him!
