3rd Grade News

Math

Month we have been learning
and two and three digit

numbers to the nearest ten and hundred.
We are using our knowledge of rounding
to estimate sums.

We will continue to learn different
strategies to add and subtract such as
the break apart strategy and the place
value strategy.

Notes from the teacher

Be sure to check your child's agenda
for daily assigned homework.

Make sure your child reads every
night for 20 minutes and records it in
his/her reading log. This is part of
their homework!

Reading

In reading, we have
been working hard to
build the best reading
life possible. This
includes finding a good
reading spot, finding
just right books, and
reading as if our books
are gold. We are also
learning what great
readers do when
reading. Great readers
give themselves
comprehension
checks, make
predictions and
envision the text.

Writing

We are currently
working on writing
personal narratives.
Our narratives are
about a person or
place that matters to
us. In order to have
the best possible
writing life, we are
setting goals and
pushing ourselves to
work hard to achieve
these goals. In our
narratives, we are
working on writing
leads, endings, and
