Powhatan County Public Schools School Board Report

**January 2022
Powhatan Elementary**

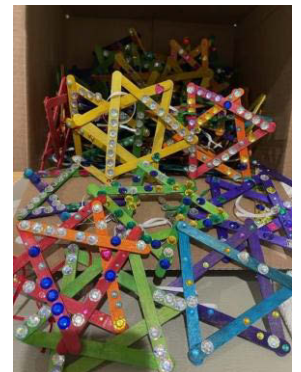

General Information

This first semester has gone well considering the many challenges we continue to face. Our staff's positive energy and desire to support their students has truly allowed them to rise above the current obstacles. Powhatan Elementary is fortunate to have such an amazing and dedicated staff who always look out for the best interests of their students.

Our teachers have used their boundless energy and creativity to develop innovative solutions to reach our students. Powhatan's staff continues to chart a positive course in all aspects of school: instruction, social/emotional learning, behavior management, classroom organization, and day to day procedures.

Enjoy our [Veterans Day](#) video here! Our students and staff are so proud of our family who have served our country in the armed forces.

The second graders made 80 stars that were donated to the Christmas Mother. A star was included in each package that the Christmas Mother provided for the elderly in our community.

Sheriff Nunnally and his officers were excited to receive over 200 candy bars and some great cards from the Second Graders.

12 Days of Christmas for Staff

12 Days of Holiday Fun for Students

The Powhatan Elementary School Fifth Grade Winter Concert: “Jingle Bell Jukebox” was held on Monday, December 13, 2021.

The PTO is surprising our students with a GAGA PIT as a new recess activity. Special thanks to Parker & Brian Sloan for taking the time to put it together. Parker, a PHS Senior, wanted to donate his time to his elementary school.

Student and Staff Recognition
