### Sexual Harassment

AR 4319.11 4219.11, 4319.11

\*\*\*Note: The following administrative regulation is mandated pursuant to Education Code 231.5 and includes reasonable steps for preventing the occurrence of discrimination and harassment as required pursuant to Government Code 12940 (California Fair Employment and Housing Act). The focus of this administrative regulation is on sexual harassment by and of employees. Pursuant to Government Code 12940 and 2 CCR 11009, interns, volunteers, and job applicants are entitled to the same protection against sexual harassment as applicable to employees.\*\*\*

\*\*\*Note: For information related to sexual harassment involving students, see BP / AR 5145.7 - Sexual Harassment.\*\*\*

This administrative regulation shall apply to all allegations of sexual harassment involving employees, interns, volunteers, and job applicants, but shall not be used to resolve any complaint by or against a student.

#### Definitions

\*\*\*Note: In *Oncale v. Sundowner Offshore Services, Inc.*, the U.S. Supreme Court held that same-sex sexual harassment could be actionable under Title VII of the Civil Rights Act of 1964 (42 USC 2000e-2000e-17).\*\*\*

Prohibited sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature made against another person of the same or opposite sex in the work or educational setting when: (Education Code 212.5; Government Code 12940; 2 CCR 11034)

1. Submission to the conduct is made explicitly or implicitly a term or condition of the individual's employment.
2. Submission to or rejection of the conduct is used as the basis for an employment decision affecting the individual.
3. Submission to or rejection of the conduct is used as the basis for any decision affecting the individual regarding benefits, services, honors, programs, or activities available at or through the district.

\*\*\*Note: Pursuant to Government Code 12940, conduct may meet the definition of sexual harassment regardless of whether or not the alleged harasser is motivated by sexual desire for the victim.\*\*\*

Prohibited sexual harassment also includes conduct which, regardless of whether or not it is motivated by sexual desire, is so severe or pervasive as to unreasonably interfere with the victim's work performance or create an intimidating, hostile, or offensive work environment.

\*\*\*Note: Pursuant to Government Code 12940, the district may be held liable for sexual harassment committed against employees by clients, customers, or other third parties if the district knew, or should have known, of the harassment and failed to take immediate and appropriate corrective action to stop the harassment. The following paragraph clarifies that sexual harassment may include acts by supervisors, co-workers, or other parties and should be modified to reflect district practice.\*\*\*

Examples of actions that might constitute sexual harassment in the work or educational setting, whether committed by a supervisor, a co-worker, or a non-employee, include, but are not limited to:

1. Unwelcome verbal conduct such as sexual flirtations or propositions; graphic comments about an individual's body; overly personal conversations or pressure for sexual activity; sexual jokes or stories; unwelcome sexual slurs, epithets, threats, innuendoes, derogatory comments, sexually degrading descriptions, or the spreading of sexual rumors
2. Unwelcome visual conduct such as drawings, pictures, graffiti, or gestures; sexually explicit emails; displaying sexually suggestive objects
3. Unwelcome physical conduct such as massaging, grabbing, fondling, stroking, or brushing the body; touching an individual's body or clothes in a sexual way; cornering, blocking, leaning over, or impeding normal movements

## Training

\*\*\*Note: The following paragraph is consistent with a district's affirmative duty to protect its employees from sex discrimination, including sexual harassment, pursuant to 2 CCR 11023. In its informal guidance, Promising Practices for Preventing Harassment, the U.S. Equal Employment Opportunity Commission recommends that employers provide sexual harassment training to all employees, not just supervisors and managers. In addition, since BP / AR 5145.7 - Sexual Harassment requires employees to report sexual harassment against students, training employees to recognize and address sexual harassment incidents furthers the district's interest in protecting both employees and students against prohibited conduct. Thus, it is strongly recommended that districts periodically provide sexual harassment training or information to all their employees, especially those who work at school sites.\*\*\*

\*\*\*Note: Provision of periodic training to all district employees could also help foster a positive work environment and mitigate damages against a district in the event of sexual harassment litigation. In Department of Health Services v. Superior Court (McGinnis), the California Supreme Court held that employers that have taken reasonable steps to prevent and correct workplace sexual harassment may be able to reduce damages in the event of a lawsuit. Such steps may include establishing anti-harassment policies and communicating those policies to employees.\*\*\*

The Superintendent or designee shall ensure that all employees receive training regarding the district's sexual harassment policies when hired and periodically thereafter. The training shall include how to recognize prohibited or harassing conduct, the procedures for reporting and /or filing complaints involving an employee, employees' duty to use the district's complaint procedures, and employee obligations

when a sexual harassment report involving a student is made to the employee. The training shall also include information about processes for employees to informally share or obtain information about harassment without filing a complaint.

(cf. 1312.3 - Uniform Complaint Procedures)  
(cf. 4030 - Nondiscrimination in Employment)  
(cf. 5145.7 - Sexual Harassment)

\*\*\*Note: Government Code 12950.1 requires districts with 50 or more employees to provide two hours of sexual harassment training and education once every two years to every supervisory employee, defined as any employee with the authority to take employment action, including hiring, transferring, suspending, and disciplining other employees, or recommend such action if the exercise of that authority is not merely routine or clerical in nature. All newly hired supervisors or employees promoted to a supervisory position must receive the training within six months of their hire or assumption of the supervisory position. Compliance with this law does not insulate the district from any liability for harassment.\*\*\*

\*\*\*Note: Governing Board members, as elected officials, are not usually considered "supervisors"; however, since Board members have the authority to hire, reward, or discipline the Superintendent and other employees, Board members may also be required to receive sexual harassment training. Districts should consult with legal counsel to ensure that the appropriate individuals receive training.\*\*\*

\*\*\*Note: Although the law does not require districts with fewer than 50 employees to provide sexual harassment training to supervisors, court decisions have held that providing training may help mitigate damages in sexual harassment lawsuits. The provision of supervisor training may also be a factor in determining whether a district has taken reasonable steps to prevent discrimination and harassment pursuant to Government Code 12940. Therefore, it is recommended that all districts, regardless of the number of employees, provide sexual harassment training. Districts with fewer than 50 employees that do not provide sexual harassment training may revise the remainder of this section to reflect district practice.\*\*\*

Every two years, the Superintendent or designee shall ensure that supervisory employees receive at least two hours of classroom or other effective interactive training and education regarding sexual harassment. All such newly hired or promoted employees shall receive training within six months of their assumption of the new position. (Government Code 12950.1)

A supervisory employee is any employee having the authority, in the interest of the district, to hire, transfer, suspend, lay off, promote, discharge, assign, reward, or discipline other employees, or the responsibility to direct them, adjust their grievances, or effectively recommend such action, when the exercise of the authority is not of a merely routine or clerical nature, but requires the use of independent judgment. (Government Code 12926)

(cf. 4300 - Administrative and Supervisory Personnel)

\*\*\*Note: Government Code 12950.1 and 2 CCR 11024 require that the training for supervisory employees contain specified components and be presented by trainers or

educators with knowledge and expertise in the prevention of harassment, discrimination, and retaliation.\*\*\*

The district's sexual harassment training and education program for supervisory employees shall be aimed at assisting them in preventing and effectively responding to incidents of sexual harassment, as well as implementing mechanisms to promptly address and correct wrongful behavior. The training shall include, but is not limited to, the following: (Government Code 12950.1; 2 CCR 11024)

1. Information and practical guidance regarding federal and state laws on the prohibition, prevention, and correction of sexual harassment, the remedies available to sexual harassment victims in civil actions, and potential district and/or individual exposure or liability
2. The types of conduct that constitute sexual harassment and practical examples which illustrate sexual harassment, discrimination, and retaliation using training modalities such as role plays, case studies, and group discussions, based on factual scenarios taken from case law, news and media accounts, and hypotheticals based on workplace situations and other sources
3. A supervisor's obligation to report sexual harassment, discrimination, and retaliation of which he/she becomes aware and what to do if the supervisor himself/herself is personally accused of harassment
4. Strategies for preventing harassment, discrimination, and retaliation and appropriate steps to ensure that remedial measures are taken to correct harassing behavior, including an effective process for investigation of a complaint
5. The essential elements of the district's anti-harassment policy, including the limited confidentiality of the complaint process and resources for victims of unlawful sexual harassment, such as to whom they should report any alleged sexual harassment, and how to use the policy if a harassment complaint is filed
6. A copy of the district's sexual harassment policy and administrative regulation, which each participant shall acknowledge in writing that he/she has received
7. The definition and prevention of abusive conduct that addresses the use of derogatory remarks, insults, or epithets, other verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, and the gratuitous sabotage or undermining of a person's work performance

\*\*\*Note: Item #8 below is required pursuant to Government Code 12950.1, as amended by SB 396 (Ch. 858, Statutes of 2017).\*\*\*

8. Practical examples of harassment based on gender identity, gender expression, and sexual orientation

The Superintendent or designee shall retain for at least two years the records of any training provided to supervisory employees. Such records shall include the names of trained employees, date of the training, the type of training, and the name of the training provider. (2 CCR 11024)
