Dear Mount Pleasant Cottage School Community:

With the safety of all students and staff always being our first priority and out of an abundance of caution, MPCS UFSD has decided to continue remote learning through January 15, 2021 due to the projected spike of Covid-19 cases after the holidays.

The district fully expects to return to its hybrid model on January 19, 2021.

As always, please feel free to contact me with any questions or concerns at sbeovich@mpcsny.org or 914-227-8890.

Sincerely,

Stephen Beovich
Superintendent of Schools
