## **School Accountability Report Card**

### **Reported Using Data from the 2019-2020 School Year**

#### **Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

---

#### SUMMERVILLE ELEMENTARY SCHOOL DISTRICT MISSION STATEMENT AND GOALS

The Summerville Elementary School District's mission is to provide each student with the opportunity to acquire knowledge and skills, an attitude of respect for self and others, and a continuing desire for personal growth.

#### GOALS

##### 1 - School Environment

- Positive, non-threatening environment with consistent discipline,
- Students will learn the value of respecting oneself, each other, and authority (life skills),
- Pro-active interventions for at-risk students,
- Strive for optimum class sizes.

##### 2 - Curriculum and Assessment

- The use of the California State Standards will guide the teaching of the district-adopted curriculum, assessment tools, and use of technology in the classroom.
- Standardized curriculum to ensure the readiness of students to meet high school entrance requirements,
- Students will meet eighth-grade proficiency standards for graduation.

### 3 - Coordination of School District and Community

- a. Articulation and coordination of curriculum with other county schools, as well as the State of California,
- b. Volunteerism – students volunteering in the community and on campus
- c. Recruit and encourage business and professional interaction with the school district.

#### School Profile

Summerville Elementary School is a kindergarten through eighth-grade school. Twenty-one certificated classroom teachers, a Title 1 reading intervention program, two Special Education teachers, a superintendent/principal, an assistant principal, and a maintenance/custodial team staff the school. The school also offers a free after-school program on campus, which is open until 6:00 p.m Monday through Friday during the school year (during non-COVID years). The Title 1 program employs one full-time teacher and one part-time paraprofessional. The staff also includes a school counselor for one day a week staff from the Tuolumne Me-Wuk Indian Health Center, eight part-time instructional aides who work with Special Education children, three part-time instructional aides who support students in the regular education classrooms, and one Indian Education Coordinator. The school also coordinates with an educational support facility located on the Tuolumne Me-Wuk Reservation. Two instructional aides from the Blue House visit and observe in classrooms with students to help support students who receive educational support from the Blue House.

The school offers many different educational programs to meet the needs of our students. Many children get supplemental help during and after the school day. Among these programs are Title 1, Speech and Language services, art, adaptive physical education, a library, and a computer lab. After School Remediation, Title VII (Indian Education) tutoring and tutoring/homework help is provided to students enrolled in the After-School Program. These programs are currently observing a modified schedule under the Fall 2020 Education Plan. The school seeks to serve students in many different ways.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	20	20	20	20
Without Full Credential	1	1	1	1
Teaching Outside Subject Area of Competence (with full credential)	1	1	1	1

### Teacher Misassignments and Vacant Teacher Positions

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	1	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

**Year and month in which data were collected:** September 2020

Summerville Elementary held a public hearing on September 15, 2020, and determined that the school had sufficient and good quality textbooks, instructional materials or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and instructional materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of the teachers and principal. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2020 about the quality and availability of the standards-aligned textbooks and other instructional materials used at the school. During the 2020-2020 school year, Summerville Elementary is piloting two different science curricula with the intention of adopting during the Spring of 2021. More information will be posted later this school year.

## School Facility Conditions and Planned Improvements

Summerville Elementary was originally constructed in 1906 and is comprised of 25 classrooms, gym, multipurpose room/cafeteria, library, staff lounge, computer lab, and playgrounds. In 2019, the district used Proposition 39 funds to replace a number of HVAC units and upgraded the outdoor and classroom lighting with LED bulbs. Future campus renovation is a goal of the school leadership team.

### Cleaning Process

The maintenance and operations director works daily with the custodial and maintenance staff of 4 (2 full-time and 3 part-time employees) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for the school and all other district sites. A summary of these standards are available at the district office for review. All standards have been modified and adapted to meet the cleaning and sanitation requirements as outlined by the California Department of Health and CalOSHA. More information about these standards can be found in the District's Fall 2020 Education Plan posted on the District Website.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service. The highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. Deferred Maintenance Budget The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	46	N/A	46	N/A	50	N/A
Mathematics (grades 3-8 and 11)	32	N/A	32	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2019-2020)**

## C. Engagement

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-2021)**

An important aspect of Summerville Elementary School's operation is the involvement of the parents and the local community. Teachers, staff, and administration maintain an "open door" policy. Parents and community members interested in assisting at school are always welcome. Last year, volunteers logged over 4000 hours working with students. Many other volunteer hours were invested in supporting our students that were not recorded. We continue to ask for and appreciate volunteers. The administration would also like to acknowledge the special work done by the School Site Council and the Summerville Parent Teacher Student Association (PTSA).

Under the Fall 2020 Education Plan, passed by the Board in September 2020, visitors on campus and in-person meetings have been restricted. Despite this modification in the year, the school has continued to see huge numbers of parents and community members volunteer to support the school remotely, and participation in meetings has increased.

**Contact Information**

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Summerville Elementary at 928-4291.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.7	1.6	0.7	1.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.01	0.01	3.5
Expulsions	0	0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

The safety of students and staff is a primary concern of Summerville Elementary. The school and district is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated on March 2019 by the School Safety Committee. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster.

Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held twice a year. Students are supervised before and after school by certificated staff and classified staff, and classified staff and the principal supervise students during lunch. Certificated staff and classified staff help with supervision during lunch and break periods. There is a designated area for student drop-off and pick up. Visitors are required to sign in at the office during school hours.

## Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

Staff members build teaching skills and concepts by participating in conferences and workshops throughout the year, then sharing their experiences and knowledge with district colleagues. Staff Development in 2020-21 offered training time for teachers centered around department and grade-level collaboration. Due to the shift in the school day required by the Fall 2020 Plan (enacted because of the COVID-19 pandemic) long-term professional development plans were halted. Instead the school remained committed to reinforcing and fully implementing previously trained systems. Follow up training and support were provided in the following areas: Positive Behavior Interventions and Supports (PBIS), Response to Intervention (RTI), technology Integration and application support, special education (i.e., Autism and dyslexia), and Common Core Standards and Effective Teaching Strategies. Prior to the start of the 2020-2021 school year, teachers in grade K-5 received follow up support and training in the use of the Teacher Created Materials, Exploring Social Studies, the new Social Studies curriculum.
