

Resolution Regarding Sustainability Committee's Recommendation Regarding Reduction of District Emissions

WHEREAS, Campus Sustainability Policy 8920 states that it is the policy of the district to establish goals that include but are not limited to the reductions in greenhouse gases, energy use, emissions of particulates and other pollutants, water use, and waste generated from District activities, and

WHEREAS, the Board of Education's Sustainability Committee meets monthly to discuss, review and analyze the district's greenhouse gases, energy use, emissions of particulates and other pollutants, water use, and waste generated from District activities, and

WHEREAS, on April 25, 2023 the Board of Education's Sustainability Subcommittee recommended establishing a goal to reduce the district's emissions 85% from the 2008/2009 school year benchmark by the year 2040; and

NOW THEREFORE BE IT RESOLVED, that the Board of Education acknowledges with gratitude the Sustainability Committee's research and recommendation; and

THEREFORE, BE IT FURTHER RESOLVED, that the Board of Education accepts the Sustainability Committee's recommendation and adopts a goal to reduce the district's emissions 85% from the 2008/2009 school year benchmark by the year 2040.

Board of Education Adoption: May 4, 2023
