Hello Task Force Members,

As we prepare for our time together in the morning, I wanted to share an article sent to me recently.

<https://www.americanprogress.org/issues/education-k-12/reports/2017/02/23/426723/reimagining-the-school-day/>

It's interesting. We are not alone as other districts and schools take a closer look at the their daily schedules. It may or may not contain some ideas for us, but nonetheless will get our minds ready to work together.

If you get a moment, please take scroll through.

Thank you for being a part of this work.

Sincerely, Kelly
