The Audience Company

Brewster, NY | [alliantdata.com](http://alliantdata.com)

The Friends of Mahopac High School Drama Company is a Parent/Booster support organization for the High School's Drama Company.

They are committed to the belief that participation in live theater is one of the broadest and most enriching experiences that can be offered to young people, combining the cultural and practical values of literature, music, dance, technical crafts, teamwork, responsibility, mutual respect, self-esteem, and confidence.

The organization is celebrating its 20<sup>th</sup> anniversary of support for the students.

Through membership and numerous fundraising activities, they provide scholarships to graduating seniors; help in the production of playbills and headshots; and provide financial support when needed. In the past they have helped purchase spotlights, sound equipment and stage curtains.

This year they have been meeting virtually on the first Wednesday of every month at 7:00pm (date and times posted to their facebook page) and via their mailing list. As always, they are looking for new members especially for the coming year.

Sonia Marasciulo and Susan Halmy have offered to step up as the club's President and Treasurer as the current officers are graduating with their students. There are still openings both on the board and various other committees.

Please consider becoming a member by completing the membership form included in this playbill. We invite everyone to come to our meetings to learn more about how you can support the students. **Thank you.**

## A NOTE OF THANKS

*We would like to thank everyone who helped make this production a success...*

*Thank you to Ms. Chahal, Mr. Purr, Dr. Rhodebeck and Ms. Velez for all your hard work in providing the students with the opportunity to rehearse and produce this show.*

*A very special thanks to the custodial staff, without whom we would find only locked doors and no supplies during the ungodly hours we spend at school.*

*Thank you to Joshua Gorlick and Dave Larsen and all our playbill staff for all your hard work in putting our playbill together.*

*Thank you to all our graduating seniors and their parents for all your hard work and dedication these past four years.*

*Thank you to everyone who advertised in our playbill for your support of the arts in our High School.*

*To all our family and friends: Thank you for your unending support, without which we would not be here.*

*Finally, a big thank you to our school administrators, the faculty advisors, school board members, teachers, and "The Friends of Mahopac HS Drama Company" volunteers for their support, time and talents.*
