

TIME FOR DAISY GIRL SCOUTS!

Does your daughter want to have fun, and make new friends? She can experience the excitement of Girl Scouting and the many activities it offers by joining Pearl River Girl Scouts!

We are forming Kindergarten Daisy troops at all three elementary schools in Pearl River and hope your daughter would like to be part of the fun! If she is interested in joining, please email Pearl River Girl Scouts Service Unit Manager Bridget Quinn at bwentworth74@gmail.com

Please include the following information in your email:

*******WE NEED YOUR HELP!!*******

Girl Scouting doesn't happen without volunteers, and our biggest need when we form new troops is getting one or more parents/guardians to step up as the troop leader. I was once in your shoes, and I can help you get started! Please consider becoming a leader, and we can work together to make Daisy Girl Scouts a memorable experience for you and your daughter!
