

Dear Lincoln Avenue Families,

The Lincoln Avenue PTA is very excited to once again support the school library with the Birthday Book Club. This is a voluntary PTA program where anyone (parents, grandparents, aunts, uncles and friends) can make a contribution to donate a book to the school library in honor of a Lincoln Avenue child. It can be in honor of a child's birthday or any other special occasion. It is called the Birthday Book Club because we thought tying book donations to children's birthdays would create a steady influx of new books into our school library. These donations help build the library's collection. For each book that you donate, a label will be placed in the book stating that the book was donated in honor of your child's birthday, special occasion or on behalf of your family. The children love seeing their names on the label and also enjoy being the first to read their donated book.

In previous years, there were as many as 100 books donated per year through this program. These books replaced very loved and used ones, as well as added newly published books to the library. The donation form can be found on the back of this letter. You may specify a particular book title to donate or you may have the school pick a title off a wish list that will be generated with our school librarian, Ms. Mui.

If you would like to donate a book, the PTA is requesting a contribution of \$20 for a hardcover book and \$10 for a paperback book. If you choose to donate, please return the donation form and a check (made payable to Lincoln Ave. PTA) to school in an envelope marked "PTA Birthday Book Club, Attn: Heather Guzman." If you have any questions, please contact Heather at guzmanheather93@hotmail.com.

Thank you for supporting the Birthday Book Club!
