

# First Grade Newsletter

April 2018

## Reading & Writing

Readers are studying story elements. Readers continue learning about their character and learning lessons. They think about what the characters learn in the stories.

Writers are becoming series writers! They are writing realistic fiction stories about characters that go on adventures! They are learning how to create a character that has a problem which eventually gets resolved. We are so excited to read their series!

## Reminders

- ✓ Breakfast begins at 7:45 & school ends at 2:40
- ✓ We are a uniform school. Our uniform is a yellow shirt and navy pants or skirts
- ✓ Parent engagement is from 2:45-3:10 on Tuesdays. You are welcome to meet with your child's teacher by appointment. We look forward to seeing you!
- ✓ Students should be reading every night at home!

## Upcoming Trips

Rosie Revere Engineer Play:  
4/17/18

Metropolitan Museum of Art  
5/18

## Math

Students are now studying the relationship between addition and subtraction. They are learning how relating addition and subtraction can help us learn and understand facts within 20.

## Science

Students will be beginning the unit on weather. They will learn about the seasons and their distinct characteristics. They will begin to understand how the weather affects their everyday life.

## Social Studies

Students are learning how to be respectful citizens in a community. They are incorporating elements of SHARE into their learning.
