BY: JACOB KING, 7TH GRADE

**I have a dream** that one day this nation will find a cure for all these viruses that have destroyed lives.

**I have a dream** that one day everybody would get along and be treated equally.

**I have a dream** that the homeless people have places to eat and sleep instead of being in the streets.

**I have a dream** that there would be no illegal drugs for people to destroy themselves.

**I have a dream** today that there would be no violence.

**I have a dream** today that services be given to those in need.

**This is my hope and faith** that would make a difference in our community, and world..

**This will be the day** when all citizens can live in peace and not fear.
