September 2017

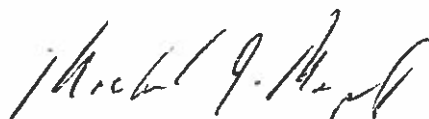

Dear Junior:

Welcome to your junior year of High School. Hopefully you are looking forward to a wonderful and rewarding year. This year offers many challenges including preparing for the college application process.

As a junior, you are offered the privilege of parking your vehicle on school grounds in the designated yellow parking spaces reserved for students. In order to be eligible to park on school grounds you must be in good standing, adhere to the basic rules outlined in the Student Handbook, and attend a 'Safe Driving' seminar at Pearl River High School conducted by a high school administrator. Eligible students will be issued a parking sticker with a number provided they have copies of the following: valid driver license, car registration and proof of insurance. **Students may not drive off campus or visit their car during the day.** Once vehicles are parked in the morning, they remain parked for the remainder of the school day unless there is a pre-approved reason (doctor's appointment, release time, etc.)

If you will be parking on school grounds, you must complete both sides of the enclosed **Parking Application** and return it to Ms. Fran Spina along with **copies of your driver license, car registration and proof of insurance.** The parking application is also available on the school website.

Sincerely Yours,

  
Michael Murphy  
Principal
