The background of the page is a textured red color, created with horizontal and vertical crayon strokes. Scattered throughout this background are numerous small, hand-drawn yellow smiley faces. Each smiley face consists of two short, slightly curved vertical lines for eyes and a simple upward-curving line for a mouth. The title "What Makes Me Happy" is written in a large, elegant, black cursive script, centered on the page. The words "What Makes" are on the top line, and "Me Happy" is on the bottom line.

I Am

*I am silly and kind.
I wonder who is the first person on earth.
I hear Ava yelling.
I see a corgi licking me.
I want Ava to be younger again.
I am silly and kind.*

*I pretend to be my mom.
I feel my paper.
I touch my dog's fur.
I worry about COVID 19 getting worse.
I cry when my mom gets hurt.
I am silly and kind.*

*I understand to not be rude to others.
I say don't ask questions.
I dream for my sister to not be so grumpy.
I try new things.
I hope for everyone to be happy.
I am silly and kind.*

Happy

Yellow and bright as the sun shining on the grass.

Eyes as yellow as the sun.

Breath smells of sunflowers growing in the garden.

Joyfully flying as happily as a bird.

Soft and warm as a fluffy blanket.

She carries a pink bird in her arms.

They might say how are you? And she is always excited.

Her name is Happy!
