

This Month In: Kindergarten

What's Happening in the Classroom?

We have been practicing:

- SIGHT WORDS!!!! (your child should recognize 12—17 words by now)
- the whole alphabet; letter names, sounds, and how to write them!
- with numbers 0-10, counting 1:1, telling about more, less, & the same
- with adding numbers within 10
- pointing under words, finding patterns in books, and noticing the first letter/sound in words
- writing true stories and teaching books
- learning about winter weather and animal habitats

Dates to Remember:

- ◆ 1/15 - No School - Martin Luther King Day

At Home Learning Tip:

Go on SIGHT WORD hunts! You can find them everywhere you look! Look for them in books, newspapers, stores, even in lyrics of familiar songs on YouTube!

Friendly Reminders:

- Every day counts! Please make your best effort to get your child to school every day, and on time, especially as the cold weather continues.
- Read with your child every night for at least 15 minutes, and TALK about the books you read.
- At this point in the year, your child should be reading at a level B or C, with a book introduction.
