

Hello Future First Graders,

In first grade, you will learn a lot about reading. Your future teacher wants to start you off this summer with this fun book. The more you read the better you become. Read your story and fill out the activity pages.

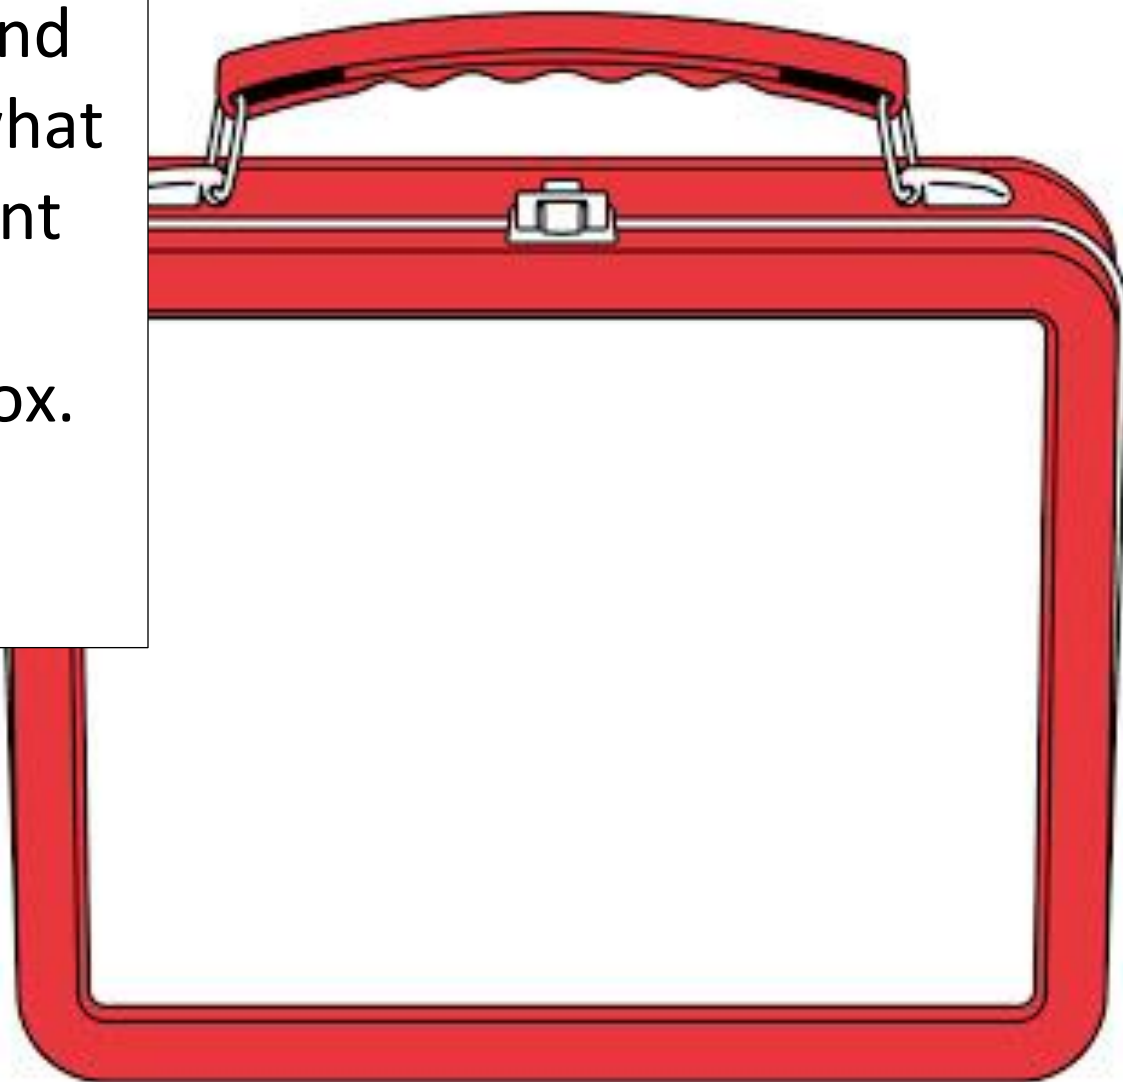

There will be a reward for you at the beginning of the year when you turn in your sheets.

You can log into Kahn Academy to keep your skills you learned in kindergarten sharp.

We can't wait to meet you! Have fun and happy reading!!

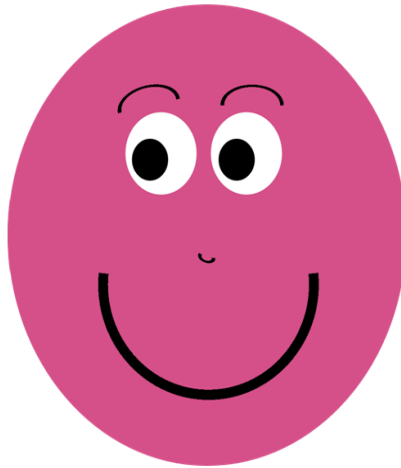

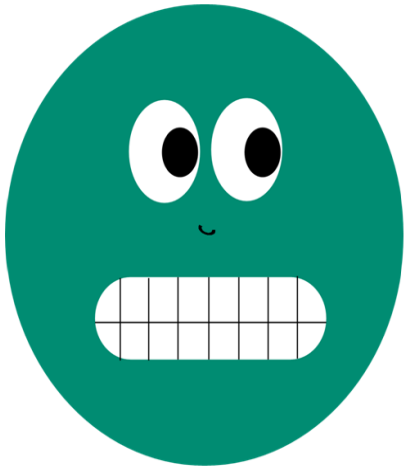

Your Future First Grade Teacher

Color and
draw what
you want
in your
lunchbox.

Name:

Can you name the emotions?

How would you feel if you forgot your lunch?
