Dear Pearl River Parents and School Community:

Please know that the District is aware of the recent rash of “clown sightings” that have been reported in the region and even nationally. Maintaining a safe and orderly environment at all schools is always our highest priority.

School staff are vigilant and well-versed in procedures for supporting school safety and our school buildings are secure places. Understanding that this new trend can be a cause for concern, I want to reassure you of our awareness and responsiveness.

Thanks,
