

5th Grade

YEARBOOK

LAST CALL

The Yearbook committee is looking for more photos to use in the yearbook. Since we will not have many photos from school this year, **we are looking for personal photos from the year...**

playing in the snow, bday parties, playdates, summer vaca, sports, with their pets, anything that shows them doing things with friends or activities they enjoy!

Also, we would love to gather some good photos from any past field trips, Dodgeball, Battle of the Books, band, Frosty Festival, Trunk or Treat, or anything else school related!

You can download multiple photos using this link. If you could input your child's first name and last initial in the form when submitting the photos that would be super helpful!

Thank you so much for your help!!
