Dear Parents,

The Community Women's Club of Level Green is once again sponsoring its annual Safety Town program this summer. Safety Town 2021 will be held **June 14th – 18th** at the Level Green Presbyterian Church from **9:00 – 11:30 a.m.** Children who are entering kindergarten for the 2021 - 2022 school year are eligible to attend, **as well as children attending 1st grade** due to the cancellation of last year's program.

The Safety Town program is designed to teach basic safety measures, tips, and awareness lessons that will keep children safe. Fun and learning will be combined to promote the importance of personal and community safety.

Key topics will include fire safety, school bus safety, poison awareness, stranger danger, and bike/scooter/skateboard safety. Visits will be made by the Penn Township Police Department, Penn Township Ambulance, Level Green Volunteer Fire Department, First Student Bus Company and information on summer safety / first aid. The children will also be introduced to the "Town" and will have an opportunity to learn about street safety as they drive big wheels or bikes with training wheels through the Town each day during the program. **Personal bike helmets are required.** During the week we help teach the children their full name, address, and telephone number for use in emergency situations. In addition, the children will enjoy crafts, snacks, songs, workbooks, and new friendships daily.

Weather permitting, previous indoor activities of Safety Town will be held outdoors in order to maintain social distancing.

Registration deadline is **Sunday May 23rd**, but space is limited to 45 students (3 classes of 15). Spots are filled on a first-come first-served basis. Avoid the waiting list by registering early!

The Community Women's Club of Level Green has sponsored this program for almost 40 years. We believe in better educating our children to develop a safe community. If you have any questions regarding our program, please call.
