Dear Pearl River School Community,

Since my last letter on Friday afternoon, we have had six new positive cases of COVID-19 in the District: one staff member and three students at PRHS; one student at Lincoln Avenue School; and one student at Franklin Avenue School. After consultation with the Rockland County Department of Health (RCDOH), the cases did not result in anyone being quarantined as the individuals were not in school during the infectious period.

We will continue to keep our school community informed regarding how this virus is impacting our schools.

I know you join me in wishing our students and staff member a quick and complete recovery.

Sincerely,

Dr. Marco F. Pochintesta
