The Board welcomes public participation and asks that speakers **sign in** to be recognized and limit their comments to a reasonable amount of time (3 minutes). Speakers may offer objective comments about specific agenda items or school operations and programs that concern them. To protect the impartiality of the Board, we will not permit any negative or positive comments about the Board of Education, specific personnel and students. Such comments should be brought to school administration. The Board will not respond to comments made during public comment. When appropriate, district administration will follow-up at a later point in time.

For the October 12, 2021 BOE meeting, remote Public Comment will be available as we transition back to in person meetings. A Google Meet link will be posted on the website for remote audience members who would like an opportunity to speak during the Public Comment portion of the meeting.

In the interest of creating the best remote meeting experience for all participating parties, we would ask that you please keep your phone on mute until such time when the chair calls for Public Comment. I. CALL TO ORDER – The Regular Board of Education meeting was called to order at 7:00 p.m. by Zachary Hayden, Chair, in the Westbrook High School library.

II. PLEDGE OF ALLEGIANCE

III. BOARD OF EDUCATION ACKNOWLEDGEMENTS

1. **Introduction and welcome of new faculty and staff:** Superintendent Martineau introduced the following new staff members to the BOE: Kayla Pardue, WMS Chorus, Band Teacher; Heather Scholfield, TESOL; Heather Cartier, OT/PT; and Paraprofessional Danielle Sousy.

IV. STUDENT REPRESENTATIVE REPORT - Andrew Livingstone reported on high school activities including current standings of fall sports teams. Andrew reported that WHS Open House will be virtual on September 16th at 7:30 p.m. Other topics he included in his report were class and student council elections, club activities and the daily news live on You-tube at 9:30 a.m. every morning. Ms. Winch commented that Andrew is the “voice” of the daily news.

V. PUBLIC COMMENT

1. Leslie Fuchs, parent, questioned why the Board was going back to in-person meetings. She suggested keeping the remote option available. She would also like to be notified of grade level COVID cases, and expressed concern that lunches were no longer outside, and if inside, students should sit facing the same direction.
2. Traci Lipka, parent, expressed concern of students eating snacks together without masks.

VI. ADMINISTRATOR(S) COMMENTS

- A. Daisy Opening** – Ruth Rose reported on the Daisy Ingraham School opening including a successful open house, staff training on Portrait of a Graduate, Social Emotional lessons, and virtual work with high school students. Free meals program has been well received.
- B. Middle School Opening** – Matthew Talmadge talked about the smooth opening at the middle school and expressed appreciation to buildings and grounds staff and administrative office staff. Middle school teachers also participated in professional development including Portrait of a Graduate and Social Emotional Learning. He acknowledged Andrew Livingstone as having taught SEL to the teachers. Mr. Talmadge also mentioned the liaison program for families new to the school and/or country, and the electives program, new to middle school students at the 7th and 8th grade level. There is a major focus on reading this year. The middle school virtual open house is scheduled for September 23.
- C. High School Opening** – Tara Winch reported on the annual freshman orientation with an excellent turn out. She reported that advisory groups have met twice, helping students get acclimated. The goal is to have every student connected to something. Class elections were also held. New courses are AP Lit., AP Lang., AP Chemistry, Robotics and AP Computer Science.

Board members had questions about the benefit of the school breakfast/lunch program. Administrators provided information on timelines and staffing as well as participation of students in the meal program.

M. Esposito commented that he would also like to hear from the administrators on things that did not go well relative to the opening of schools. He also questioned the guidelines on the remote option. Dr. Martineau explained that the executive order for remote learning expired on June 30 and there is no general option for remote learning anywhere in the State of Connecticut. Instruction is handled on a case by case basis for students.

**Budget Narrative
September 30, 2021**

Salary Accounts- The initial place holding payroll encumbrance has not been updated. I will be adjusting this prior to the budget process. Grant funded work continues to flow through the general fund payroll in September, making it appear as though we still have a deficit in the salaries object. We do not, and I do not foresee that happening at this time. Typically, payments and offsets occur within the same month, however, again due to the timing of the last payroll in September, these expenses posted, but will not be reduced until October. This may be a reoccurring trend throughout 21-22 and into 22-23. These accounts will continue to be monitored closely.

Benefits - Associated Social Security/Medicare costs, as well as the health and life insurance figures for known personnel will also be adjusted prior to the budget process. This is still a place holding encumbrance. Any applicable employee cost shares have not yet been deducted from this total either.

Transportation- Summer School/ ESY (Extended School Year) have all be paid and annual purchase orders have been entered. Further adjustments will be based on student need.

Purchased Services-Annual building maintenance contracts and other annual blanket purchase orders have been entered.

Tuition- Summer School/ ESY (Extended School Year) contracts have been paid and annual student placements have been entered. Further adjustments will be based on student need.

Supplies- Materials necessary for the opening of schools have been ordered.

Properties (equipment) – All requests to date have been ordered.
