

Message from the Principal

“Train up a child in the way he should go: and when he is old, he will not depart from it.” Proverbs 6:22

Beginning another school year is an exciting time as it marks a step closer for our children to become all they want to be. From when they are born, all parents want the same thing as we hope our children are happy and respectful of one another. Notre Dame parents also want Christ to be ever present in their children's lives and so, you chose us for their education. I am grateful for your continued trust in helping to guide them on that path.

Many great things are happening here. We have several new teachers, the newest being Mr. Grant Whary, who has taken one of our special education positions. We also have Mr. Rich Shevalier who is teaching biology and Mr. Keith Joseph, teaching 11th grade theology. I am still in need of another special education teacher and a certified school nurse who might want part time employment. Notre Dame High School currently has 36 teachers on staff and 21 others in administration, campus ministry, office staff and custodial staff.

Clubs and fall sports are already active. Please encourage your child to participate in an activity of their interest as it helps to broaden their high school experience and helps them define the word 'family'. It is a great way to make new friends who are encouraging and supportive of each other.

As we move through the months, please keep in touch by looking at our website for information. Also, continue to check the parent portal for updates on your child's grades. They should show movement each week as teachers make assessments and get them entered. Mrs. Fenton will also be sending out periodic eblasts as a means of providing immediate information. Please know that you can also call us at any time if you have questions. Teachers will not be able to receive your call during the day, however should get your message and respond within 24 hours.

I pray for a successful year with all students and families. I love this school and continue to work to make it better. Thank you for being a part of Notre Dame.

It's a great day to be a Crusader.

Respectfully in Christ,
Mario Lucrezi

Principal

Vespers at the Cathedral of St Catherine of Siena

The recent installment of Bishop Alfred A. Schlert as the Fifth Bishop of Allentown brought great excitement throughout the diocese. Bishop Schlert, a graduate from Notre Dame High School, invited students from all the diocesan schools to attend Vespers at the Cathedral of Saint Catharine of Siena in Allentown on the vigil of his ordination and installation. Several students and I were selected to represent Notre Dame at this incredible service.

The Cathedral, in its splendor, was filled with priests and deacons from across the diocese, as well as the Archbishop of Philadelphia, Bishop Barres, Bishop Cullen, and the Apostolic Nuncio to the United States. The clergy and laity came together in deep prayer and song, and there was a powerful sense of joy in the air. In his homily, Bishop Schlert directly addressed the youth of the diocese. He told the students to truly open themselves to all vocations God may be calling them towards. Most importantly, he encouraged students to be open to a vocation in the religious life. As the Bishop processed out of the Cathedral, many people attempted to take photographs and get his attention, yet the Bishop continued forward with a sense of great humility.

As a student of Notre Dame High School and parishioner of St. Jane Frances de Chantel Church, I feel extremely blessed for the opportunity to have attended this service. Seeing all the priests, bishops, and the Apostolic Nuncio together as one is an experience that I will never forget. I am thankful to the school for selecting me to attend Vespers and allowing me to experience such a solemn event in the history of our diocese.

National Honor Society Induction Mass

October 5, 2017 at 8:15 AM

Congrats New Peer Listeners

Congratulations to 12 new Peer Listeners who have just completed their 2-day certification training on August 10, 2017!!

Peer Listening is a ministry - and a serious responsibility. A Peer Listener's daily ministry is to help other students who may be struggling with life issues or to simply brighten someone's day. A Peer Listener responds to those in need with compassionate listening and encouragement. He/she has answered God's call with a willing heart, and the desire to allow His love and compassion to work through them to serve their peers.

In April 2017, the candidates in the training group went through an interviewing process, and were required to write an essay about why they feel "called" to be a Peer Listener. In addition, each candidate is required to participate in a 2-day Diocesan certification training.

Mrs. Kelly Weber and Mrs. Sharon Hillhouse (moderators) facilitated the training, with several veteran Peer Listeners contributing. The training is a crucial final step in the process to ensure that each new Peer Listener is equipped with important listening/communication skills, understands the importance of confidentiality, and knows how to discern if a peer is dealing with a critical issue that should be referred to an adult.

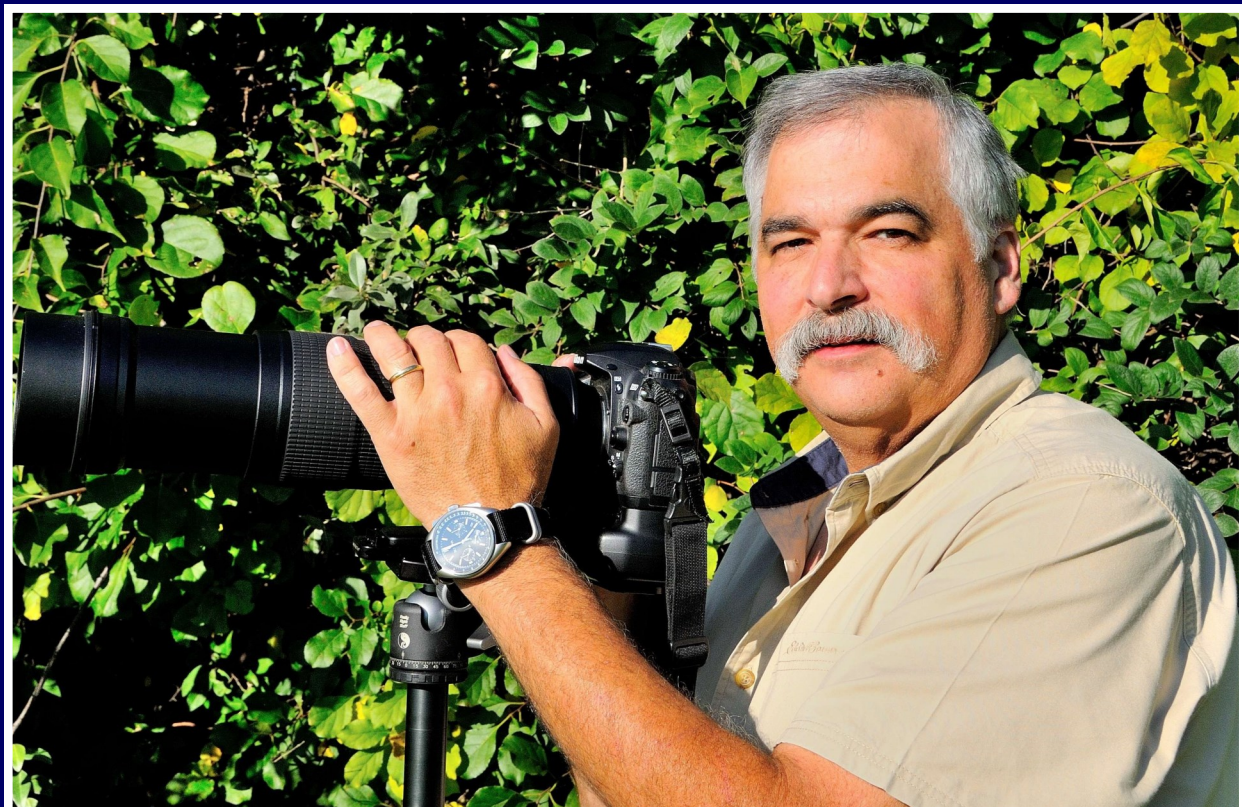

Each of the candidates will receive a certificate stating that he/she is a certified Peer Listener an Induction Mass in December.

Welcome Mr. Shevalier

Mr. Richard W. Shevalier III is a new member of the Science department at Notre Dame, and is currently teaching Honors Biology and Biology 1 classes.

Mr. Shevalier grew up in South Orange, New Jersey, received a Bachelor's degree in Zoology from Rutgers University, and a Master's degree in Biological Sciences from the State University of New York at Binghamton. Mr. Shevalier recently retired from teaching all levels of High School Sciences (Biology, Chemistry, Physics, Human Anatomy, AP Environmental Science, Astronomy, Forensic Science and Behavioral Ecology).

For the last 11 years of his public school career, Mr. Shevalier was the Science Department Supervisor at Voorhees High School in Glen Gardner, NJ. In addition to teaching at Notre Dame, Mr. Shevalier is an active adjunct professor of Human Anatomy and Physiology at both Warren County Community College, and Northampton Community College. Mr. Shevalier is married, has two adult sons, and lives with his family (which includes 3 dogs), in Nazareth, PA. In his spare time, Mr. Shevalier is a Wildlife/Nature photographer.

Welcome New Theatre Director

Shauna Khan grew up in Lancaster County, Pennsylvania. While still very young, Mrs. Khan developed a love for music. While piano and voice were her main instruments, she also studied the flute, violin and played in the pit in marching band.

While in high school, Mrs. Khan participated in the school musicals in both cast and pit orchestra roles. She was also very active in the school choirs, bands and orchestra.

After high school, Mrs. Khan attended Mansfield University where she earned a Bachelors of Arts in Music degree and her music education certification. She has also earned her Masters of Music Education from Lebanon Valley College. Her first job was as a long-term substitute in the Northwestern Lehigh School District. There she would undertake her first role as vocal director for Lil' Abner. She also vocally directed Bethlehem Catholic's production of Oliver.

Once the school year was over, Mrs. Khan started teaching elementary music in the Easton Area School District where she recently began her 14th year. In 2010, she started vocally directing Easton High School's production of Ragtime and in 2011, Hairspray. In 2012, Mrs. Khan assumed the role of director while still continuing to vocally direct. She led the productions of Damn Yankees, The Music Man, The Scarlett Pimpernel, and Sweet Charity.

In 2015, Mrs. Khan resigned her role as director to take on a new challenge, parenthood. Mrs. Khan and her husband, Alim, are parents to a beautiful little girl named Amirah who loves everything musical, especially dancing.

Mrs. Khan is so excited to return to the world of high school theater and is honored and excited to become a part of the Notre Dame family!

Speech and Debate Team

You will have the opportunity to improve your communication skills through debating various topics, delivering speeches, or giving dramatic presentations. You will also have the opportunity to represent Notre Dame at various local, regional, state and national tournaments.

We have had many state and national award winners including two national champions and nine state champions. We also had a student who was selected to compete as part of Team USA in the World Schools Debating circuit.

Feel free to check out our team page for more information: [http://
www.ndcrusaders.org/groups/15277/speech_and_debate/
home_page_speech_debate](http://www.ndcrusaders.org/groups/15277/speech_and_debate/home_page_speech_debate)

Meetings are Monday nights from 6:30-8:30pm.

Contact srizzo@ndcrusaders.org if you are interested in joining.

Mr. Sal Rizzo, Head Coach

Mr. Stuart Kramer, Assistant Coach

Kick It For A Cause

My name is Alex Garrido and I am a junior at ND. I am also a kicker for the ND football team.

After meeting Giuliana Giannone at last year's MiniTHON, I was inspired to dedicate my junior year to help raise money for pediatric cancer research.

PLEDGE TODAY TO CURE KIDS CANCER

With every field goal and extra point I make this season, we'll score big with kids with cancer.

Please check out the website below to make your pledge.

Thank you for your support!!!

DEVELOPMENT NEWS

It's Gala Auction Time!

On November 11, the Notre Dame community will come together for a night of fundraising and friendship at the 5th Annual Harvest & Hops Gala Auction at Northampton Country Club. The night will have many of the wonderful traditions as our past auctions with a few enhancements. All proceeds will help to kick off our "Classroom Campaign", where we hope to raise approximately \$400,000 to improve the classrooms our students use each day. Every student will benefit from this school-wide event and it will help to enhance the learning environment on our Green Pond campus. We hope you consider joining us in this important fundraising event.

The largest amount of funds raised at the Gala are from our Silent & Live Auctions. We are asking each family to contribute one basket or item valued at least \$25. Items can range from gift cards to restaurants, spa certificates, gift baskets,

items such as jewelry or purses or services such as personal training, limousines or theater tickets. Another idea is if you or someone you know owns a vacation home or getaway condo. Our guests love to travel and this is a great way to help your school. It can be fun if families get together to make "themed gifts". Use your imagination and let your creativity flow. All items should be delivered to the Development Office by October 15. (Arrangements can be made if pick up is necessary.)

This year, any family who donates an auction item will be entered into a raffle to win some great prizes such as two tickets to the event, a Crusader spirit basket or even a \$250 tuition credit for 2017-18 school year! Drawing to be held on November 1.

Help us help our students and have fun at the Gala!

Calling All Veteran's...

On November 16, at the 8:15AM Mass, we will salute all of the Veteran's within our ND community. At this Mass we will specifically honor the late Edward "Pat" Mullins, a graduate of Notre Dame who was killed in the Vietnam War, along with his brother, Michael Mullins who also is an ND alumni who served in Vietnam. At the conclusion of Mass, we will present the "Above the Best - Class of 1964" scholarship to one current student at Notre Dame.

We encourage you to invite family members who have served our country to attend this Mass and be recognized. A reception will be held at the conclusion of Mass for all our Veterans.

Please send RSVP to the Development Office by November 1.

Career Day Speakers Needed

Do you have an interesting career that you are willing to share with our ND students? Do you have someone in your family that might be willing to speak to our students about what they do each day? On March 20 we will once again host "Career Day 2018". This is a day where we invite members of our ND community, both present and alumni, as well as some of our local supporting businesses to speak to our students about their careers. The day runs from 8:15am through 1:30pm and has 7 classes that run approximately 40 minutes each. Speakers can present to one class or multiple classes throughout the day, whatever their schedule permits. This is a great opportunity for our students to explore new fields, learn what is required for each career and what the future of the industry may look like. Last year we had over 55 speakers interact with our students and we are looking to build on this success!

If you are interested in speaking, simply return the form below to the Development Office by January 15, 2018 and we will reach out to you to confirm.

Notre Dame High School – Mass of Remembrance

Once each year, Notre Dame High School takes time to remember loved ones that have been called to Heaven to be with our Lord. At the 8:15AM Mass on October 18, we will celebrate our annual "Mass of Remembrance" where current ND families as well as our alumni will have an opportunity to have prayers said for their loved one(s). Each individual will be recognized during the entrance of Mass by an individual flower and have their names read aloud. If you would like to have your loved one remembered, simply complete the form below and return to the Development Office by October 10, 2017. All proceeds benefit student scholarships at ND.

Fundraising News

The 2nd drawing of the 2017-2018 Fundraising Ticket Series “No Tricks Just Treats” will run from Friday, September 8th with the drawing being held on Thursday, October 26th, 2017 at noon in the Finance Office. Deadline for submitting tickets is Wednesday, October 25th, 2017.

For your convenience, the main office is open Monday-Friday from 7 am to 4 pm to either pick-up or drop off your tickets.

Please ensure that the “Student Name” section is completed so we can apply credit to your fundraising account.

As a reminder, the 2017-2018 Fundraising quota's are as follows:

\$750 per single child family or

\$1,000 per multi child family.

Tickets may be purchased all at once, or spread throughout the year. “No Tricks Just Treats” is a \$10.00 ticket with a chance of winning \$6,400 in total prizes.

For every 10 tickets sold, you receive a free ticket for that drawing and you can write just one check for all the tickets purchased.

Additional drawings:

Christmas Bliss - (10/27/17-01/04/18)

Luck of A Crusader - (01/05/18-03/15/18)

Spring Is In The Air - (03/16/18-05/03/18)

Mark Your Calendars!

Fundraising 50% Plan: Once you have met your fundraising quota for the current school year, we will credit your tuition account 50 cents on every dollar over the quota.

Should you have any questions, please contact Cindy Mackiewicz, Student Fundraising Coordinator, at cmackiewicz@ndcrusaders.org

John Jay College of Criminal Justice of the CUNY
Juniata College
Shippensburg University of Pennsylvania

Class of 2018: Free Application for Federal Student Aid (FAFSA)

Seniors and parents will be able to file a 2018–19 FAFSA on Oct. 1, 2017. For a more information on what parents and students need to know about the 2017-2018 FAFSA, [click here](#).

Coming in November 2017 Financial Aid & PHEAA Presenter in the PM for seniors and parents

Michael Burke, our regional PA Higher Education Assistance Agency (PHEAA), will be coming to Notre Dame on Tuesday evening, November 14, 2017 to speak with parents and students about the state and federal financial aid process. Parents are strongly encouraged to attend this event for useful information on the financial aid process.

Guidance News

PACCAO Tour comes to Notre Dame Monday, October 2, 2017 at 11:30 a.m.

The Pennsylvania Association of Catholic College Admissions Officers (PACCAO) will be visiting Notre Dame High School. Approximately 20 colleges will set up in our gym in a college fair like fashion, while students are encouraged to walk around and speak with the admission reps. Students should be prepared to ask questions and find out more about the Catholic colleges in Pennsylvania, including the tuition incentives available to Catholic high school graduates.

Northampton County College Fair Northampton County College Tuesday, October 10, 2017 from 6:00 - 7:30 p.m.

More than 150 representatives from colleges, universities and technical schools will be present to answer your questions and provide valuable information about their institution, and other relevant post-secondary materials.

PSAT/NMSQT- Grades: 9, 10, 11 Wednesday, October 11, 2017

Freshman, Sophomores and Juniors will take the PSAT/NMSQT at Notre Dame on Wednesday morning, October 11th. The PSAT is a preliminary SAT cosponsored by the College Board and National Merit Scholarship Corporation. This test is administered to promote college readiness and Juniors may be eligible for the National Merit Scholarship program. Freshman will take a special version of the PSAT, referred to as the 8/9 PSAT.

The PSAT provides the best practice for the SAT as it is in the same format and evaluates the same skills as the SAT: reading, math, and writing. After the test, students will have direct access to free, customizable, online, SAT test prep through Khan Academy

The test will take approximately 3 hours and we will resume an abbreviated schedule for the rest of the day.

No School for Seniors: College Visit Day Wednesday, October 11, 2017

Seniors will be off that day, but will be expected to use their time wisely. This should be time spent exploring colleges, or other post-secondary options through campus tours, visits, interviews, etc...

Guidance News

Class of 2018: Sending Transcripts

The Guidance Office sends official transcripts to colleges and universities through E-docs (electronic documents), in our Naviance/Family Connection account

Family Connection is a customizable website that allows Notre Dame Seniors to utilize the tools available in Naviance.

Family Connection

Just some of the features students will be using in Family Connection include: a thorough college search, links to college admissions pages and college/university online applications, and the ability to request transcripts and letters of recommendation that will be sent by the Guidance Office electronically to the colleges that students have applied.

If you don't quite understand the process, please do not worry. Senior meetings with the Guidance Office have begun, and will continue through September and October.

Most students should know their individual Family Connection login information.

<http://connection.naviance.com/notredhs>

Students were asked to use their Notre Dame Email account (firstinitiallastname@student.ndcrusaders.org), and the password initially was six digit date of birth, (ex., 050299).

After you successfully log in you'll be taken to Notre Dame's Senior Family Connection homepage, where you will see links to relevant senior year information on the left, and four tabs: **College, Career, About me, My Planner.**

Some of the features you'll notice in each tab include:

Colleges Tab: College Search, Common App Account Matching, College Profiles, College Statistics, College Match, College Maps, and the National Scholarship Search by Sallie Mae.

Career: Career Search, Career Key™, Career Interest Profiler, Roadtrip Nation Interview Archive

About Me: Game Plan Survey, Do What You Are, StrengthsExplorer®, Resume Builder, Cluster Finder, and Career Interest Profiler.

My Planner: Include an overview of the student's success plan schedule, goals and to-do list creation, and a task list.

Guidance will use this feature as much as we can with students in school, however part of Family Connection's strength is the ability for parents and students to complete a number of college/career related items at home.

Should a student use a Common Application?

That depends on whether or not you see the little "CA" logo next to a college in the *Colleges I'm Thinking About* page.

To use the Common App, the first step is to create a [Common App](#) account.

Remember- Students will still apply to colleges using the Common App (www.commonapp.org), or an online application directly from that college. Supporting documents will be sent electronically upon request by you through e-docs

Guidance News

Student Assistance Program (SAP)

If you know a student who is struggling with something, and could use some extra help, please remember the SAP Team.

SAP is a team of ND faculty/staff trained to remove barriers to learning a student might be facing.

Through mobilizing resources both in and out of school, the SAP team works closely with parents and families in a confidential manner to ensure students are getting the help they need.

Members of the SAP Team:

Ryan Allen

Sharon Hillhouse

Kelly Weber

Zach Moyer

Jessica Gold

John Tague

Jackie Friel

Casual Wednesdays

Casual Wednesdays Official Dress Code Regulations

Dressing down on Casual Wednesdays is a privilege. If any student chooses to participate, he/she must adhere to following dress code regulations:

ONLY a Notre Dame t-shirt (can be a Key Club, FBLA, etc.) may be worn. This excludes rugby shirts, baseball jackets, etc.

ONLY the grey Notre Dame Student Council sweatpants may be worn.

If a student is cold in his/her ND t-shirt, he/she may ONLY wear the grey Student Council sweatshirt.

If any Notre Dame student chooses to dress in any other attire, he/she will forfeit his/her privilege to participate in Casual Wednesdays for the remainder of the 2017-2018 school year.

PLEASE BE RESPONSIBLE YOUNG ADULTS!

2017-2018 Official Student Council Order Form

Casual Wednesdays Sweat Suit

Sweats can be worn on Wednesdays starting December 6 and ending April 4. The only sweats that can be worn are the Student Council sweats. If a student decides to wear something other than the official sweatpants or sweatshirt, they will have their privilege to dress down taken away for the rest of the year. Students are not permitted to wear sweats that are ripped or torn. All sweats must be worn with a Notre Dame t-shirt (this can be any ND t-shirt).

CIU 20 Driver Ed Program

On-the-Road Instruction

This training consists of six (6) 1-hour sessions one-on-one with an instructor. Driver training cars are provided by CIU20. A student must have his/her driving permit in order to take part in this instruction, as required by the state.

The On The Road program will take several months to complete. We will attempt to start your child's On-the -Road instruction as soon as possible but please be aware that there may be significant wait period of up to 2 months.

The student will drive with our instructors adapting new aptitudes. Parents are then expected to supplement this instruction with a minimum of 65 hours of instruction, as required by PennDOT, A Classroom Theory course is only required for on-the-road instruction if the student wishes to obtain his/her license through CIU20. They may take the classroom theory course at the same time they are learning with our instructors and practicing with their parents. Upon successful completion of a classroom theory course/ classroom course and our on-the-road instruction and the 65 hours. The student may take the final PennDOT licensing exam with one of our instructors. No student will be eligible for testing with a CIU 20 instructor unless the on the road CIU 20 instructor approves the testing. Students in their senior year of high school, must complete the final end-of-course skills test to obtain one's license by August 20th of the calendar year in which they graduate.

Cost: \$275 for six (6) 1-hour lessons
