

Message from the Principal

We come into October with the hope of better weather and news and place our trust in our Lord that peace will come to us all. September was a devastating month for those in the paths of the storms. Consider losing all possessions and having to start over. This latest news too, reports the tragic shooting in Las Vegas, reminding us once again to hold God close as we never know when our hour is here. It was senseless and horrific, changing so many lives in just seconds. We cannot understand such things, only continue to place our trust in God and believe in his plan.

“Cast your care upon the Lord, who will give you support. God will never allow the righteous to stumble.”
Psalms 55:23

Please pray for all those suffering.

Our first full month of school is behind us and students are into routines and habits (good and bad) as we go throughout our days. Already, looking at what we’ve accomplished shows students and staff at Notre Dame are very busy. We’re about half way into the marking period, so if you haven’t talked to your child about his/her grades, I urge you to check in. Our Parent Night was successful as there was great representation for most of the classes. It was important that you got a better understanding of expectations.

On October 22, we are planning our annual Open House for prospective families to visit. Please pass the word that we are here from 10:00 until 2:00 to celebrate Mass, provide information, and offer tours. A lot of our enrollment is boosted by your recommendation.

I want to remind all parents that as students are absent from school, they will be marked as unlawfully absent if we don’t hear from you stating they are sick. Even stating illness, please note that unless it is a chronic illness (by proof of a doctor’s letter) or recovery from major non-elective surgery, they will be spending summer days here at ND after all others have left for the year if they accumulate high absenteeism. Acceptable, lawful absences are for illness, death in the family, up to 5 college visit days, and vacation days of not more than 5 in a row with a total of 10 for the year. We are a high school like any other in having to abide by attendance laws. Please respect our attendance policy so we can offer your child the best educational opportunities we can.

As of this writing, we are still working with parents to get us the paperwork on immunizations. October 10 is the cut off for either supplying the documentation or providing us appointment verifications. I appreciate your help with this matter.

Notre Dame High School takes pride in our motto, “Faithful, Loyal, and True.” We believe strongly that our Blessed Mother guides our days. We are also thankful for the support from all our families and our alumni community. We welcome everyone to attend any of our Masses, shows, or sporting events. Your presence builds a stronger school. Have a great October.

Respectfully in Christ,
Mario Lucrezi

Miracle League

Peer Listeners assist special needs players at Miracle League game
Notre Dame's Campus Ministry coordinator, Mrs. Sharon Hillhouse, presents a purposeful community service opportunity to ND students in the fall and in the spring. Throughout these seasons, our students participate in the Miracle League sponsored baseball games for special needs individuals. Each week, students from different clubs and sport teams donate their time on a Saturday to participate as helpers.

On Saturday, September 9, eight Peer Listeners and moderator Mrs. Weber, attended the 1st Miracle League baseball game of the Fall 2017 season to assist the players with special needs. As participants in this event, the Peer Listeners provided support and encouragement to the players on and off the field, and come away with a feeling of satisfaction and joy. It's a win/win event!!

News from Key Club

Over 150 students attended the first Key Club meeting in September and were introduced to the officers, moderator and our Kiwanis Club representative, Mr. Jim Brown. Students were explained the mission of Key Club, the registration process, expectations and service projects for the year. There are club dues for Key Club because this is a national organization and we must register and pay for each student. Dues also cover the cost of the 2017-18 Key Club shirt to be worn at events. For information or registration, please visit the Notre Dame website, www.Ndcrusaders.org and find the Key Club tab under Student Life/Clubs.

Key Club Officers

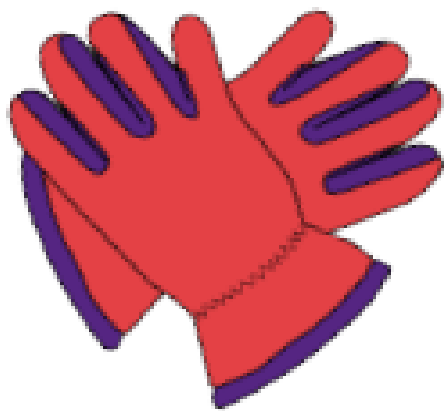

The 2017-18 Key Club Officers are:

President	Milan D'Silva
Vice President	Gillian MacDonald
Secretary	Natalie Vetter
Treasurer	Ryan Gibki
Webmaster	John Koons
Historian	Morgan Stevens

Key Club in Action

The Key Club will be undertaking several service projects over the next few months. For the month of October, a collection of winter hats, gloves, scarves and socks will be taken and delivered to the homeless shelter in Bethlehem. Anyone wishing to donate these items may do so. There is a collection bin in the Main Office from Oct. 2 – 13, 2017. Also in October, Key Club members will visit Country Meadows for a Fall Festival where we will help entertain and engage some of our local seniors. In November, Key Club will run their annual wreath and poinsettia sale. Proceeds will benefit local charities. Anyone interested in helping Key Club can contact Mrs. Caroprese, Key Club moderator.

Gala Update

There are many ways you can help make this year's Gala a success:

- ◆ *Donate* a gift card, gift basket or any auction item (and remember, if it's a value of \$25 or more you are eligible for the "Gala Family Drawing" and have the possibility of winning \$250 credit on fundraising fees, tickets to the event or a great ND gift basket
- ◆ *Attend* the Gala. This is a great way to celebrate with all those who support our school and participate in the auction.
- ◆ *Sponsor* the event.
- ◆ *Advertise* in the event program.
- ◆ *Promote* the event to family, friends or businesses that can participate in some way.

All proceeds benefit the "Classroom Renovation Campaign" and will help enhance our students' experiences here on campus.

"Above the Best - Class of 1964-Ed Mullins Memorial Scholarship"

The deadline for applying for this \$500 tuition scholarship is quickly approaching. All applications and essays are due by October 16. Guidance News

Class of 2018: Sending Transcripts

The Guidance Office sends official transcripts to colleges and universities through E-docs (electronic documents), in our Naviance/Family Connection account

Family Connection is a customizable website that allows Notre Dame Seniors to utilize the tools available in Naviance.

Family Connection

Just some of the features students will be using in Family Connection include: a thorough college search, links to college admissions pages and college/university online applications, and the ability to request transcripts and letters of recommendation that will be sent by the Guidance Office electronically to the colleges that students have applied.

If you don't quite understand the process, please do not worry. Senior meetings with the Guidance Office have begun, and will continue through September and October.

Most students should know their individual Family Connection login information.

<http://connection.naviance.com/notredhs>

Students were asked to use their Notre Dame Email account (firstinitiallastname@student.ndcrusaders.org), and the password initially was six digit date of birth, (ex., 050299).

After you successfully log in you'll be taken to Notre Dame's Senior Family Connection homepage, where you will see links to relevant senior year information on the left, and four tabs: **College, Career, About me, My Planner.**

Some of the features you'll notice in each tab include:

Colleges Tab: College Search, Common App Account Matching, College Profiles, College Statistics, College Match, College Maps, and the National Scholarship Search by Sallie Mae.

Career: Career Search, Career Key™, Career Interest Profiler, Roadtrip Nation Interview Archive

About Me: Game Plan Survey, Do What You Are, StrengthsExplorer®, Resume Builder, Cluster Finder, and Career Interest Profiler.

My Planner: Include an overview of the student's success plan schedule, goals and to-do list creation, and a task list.

Guidance will use this feature as much as we can with students in school, however part of Family Connection's strength is the ability for parents and students to complete a number of college/career related items at home.

Should a student use a Common Application?

That depends on whether or not you see the little "CA" logo next to a college in the *Colleges I'm Thinking About* page.

To use the Common App, the first step is to create a [Common App](#) account.

Remember- Students will still apply to colleges using the Common App (www.commonapp.org), or an online application directly from that college. Supporting documents will be sent electronically upon request by you through e-docs

Coming in November 2017 Financial Aid & PHEAA Presenter in the PM for seniors and parents

Michael Burke, our regional PA Higher Education Assistance Agency (PHEAA), will be coming to Notre Dame on Tuesday evening, November 14, 2017 to speak with parents and students about the state and federal financial aid process. Parents are strongly encouraged to attend this event for useful information on the financial aid process.

PACCAO Tour comes to Notre Dame Monday, October 2, 2017 at 11:30 a.m.

The Pennsylvania Association of Catholic College Admissions Officers (PACCAO) will be visiting Notre Dame High School. Approximately 20 colleges will set up in our gym in a college fair like fashion, while students are encouraged to walk around and speak with the admission reps. Students should be prepared to ask questions and find out more about the Catholic colleges in Pennsylvania, including the tuition incentives available to Catholic high school graduates.

Northampton County College Fair Northampton County College Tuesday, October 10, 2017 from 6:00 - 7:30 p.m.

More than 150 representatives from colleges, universities and technical schools will be present to answer your questions and provide valuable information about their institution, and other relevant post-secondary materials.

PSAT/NMSQT- Grades: 9, 10, 11 Wednesday, October 11, 2017

Freshman, Sophomores and Juniors will take the PSAT/NMSQT at Notre Dame on Wednesday morning, October 11th. The PSAT is a preliminary SAT cosponsored by the College Board and National Merit Scholarship Corporation. This test is administered to promote college readiness and Juniors may be eligible for the National Merit Scholarship program. Freshman will take a special version of the PSAT, referred to as the 8/9 PSAT.

The PSAT provides the best practice for the SAT as it is in the same format and evaluates the same skills as the SAT: reading, math, and writing. After the test, students will have direct access to free, customizable, online, SAT test prep through Khan Academy

The test will take approximately 3 hours and we will resume an abbreviated schedule for the rest of the day.

No School for Seniors: College Visit Day Wednesday, October 11, 2017

Seniors will be off that day, but will be expected to use their time wisely. This should be time spent exploring colleges, or other post-secondary options through campus tours, visits, interviews, etc...

CIU 20 Driver Ed Program

On-the-Road Instruction

This training consists of six (6) 1-hour sessions one-on-one with an instructor. Driver training cars are provided by CIU20. A student must have his/her driving permit in order to take part in this instruction, as required by the state.

The On The Road program will take several months to complete. We will attempt to start your child's On-the -Road instruction as soon as possible but please be aware that there may be significant wait period of up to 2 months.

The student will drive with our instructors adapting new aptitudes. Parents are then expected to supplement this instruction with a minimum of 65 hours of instruction, as required by PennDOT, A Classroom Theory course is only required for on-the-road instruction if the student wishes to obtain his/her license through CIU20. They may take the classroom theory course at the same time they are learning with our instructors and practicing with their parents. Upon successful completion of a classroom theory course/ classroom course and our on-the-road instruction and the 65 hours. The student may take the final PennDOT licensing exam with one of our instructors. No student will be eligible for testing with a CIU 20 instructor unless the on the road CIU 20 instructor approves the testing. Students in their senior year of high school, must complete the final end-of-course skills test to obtain one's license by August 20th of the calendar year in which they graduate.
