

2210 ADMINISTRATIVE LEEWAY IN ABSENCE OF BOARD POLICY

Where the Board has provided no policy guides for immediate administrative action and situations requiring immediate action arise in the schools, the Superintendent and/or Principal may act on his/her own initiative.

Administrative decisions taken by the Superintendent and/or Principal in the absence of policy will be subject to review by the Board at its next regular meeting. It will be the responsibility of the Superintendent and/or Principal to inform the Board of the action and of the need for policy.
