St. Michael the Archangel School

"He who allows his day to pass by without practicing generosity and enjoying life's pleasures...breathes but does not live"

-Sanskrit Proverb

Dear Friend of St. Michael the Archangel School,

We would like to share with you a story of a particular child that is presently attending St. Michael the Archangel School. This boy was home schooled most of his life and eventually was sent to a local public school as the demands on his family became greater. As days past, He had no interest in his new educational forum. He fought to attend most days and became withdrawn and uncooperative. When the request to matriculate at St. Michael the Archangel School arrived, we accepted him and his family as a part of the St. Mike's community. After a bit of time and developed trust, he is now thriving. He has made friends and wants to come to school. This community has made a difference for him and those that support him in life's journey. We hope to continue to make an impact on many more children like this boy.

*Nurturing Students.
Challenging Minds.
Inspiring
Faith-Filled Leaders.*

This past August, 260 students were welcomed through the doors of our school. Our Annual Fund for the 2018-19 fiscal year, which ended June 30 raised over \$95,000 thanks to your help. Although we recognize these as formidable numbers, they are a decrease for both enrollment and donations as compared to 2017-18. Any type of shortfall affects our school community and its efforts.

The St. Michael School community humbly and respectfully asks you to consider a gift of \$100, or more if able, toward continuing our mission so together we can provide the very best for our students. If you have given in past, we ask you to consider a 10% increase from last year. We thank you for considering a spirit of giving for our students. Your tax-deductible gift continues to significantly impact our school community each and every day.

We always come to you with a grateful heart of what we have accomplished. It is integral that we continue to nurture, challenge and inspire as many students as possible within the halls of St. Michael the Archangel School.

Please continue to pray for the students and families of St. Michael the Archangel School and be assured of our prayers for you and yours as well.

Sincerely,

Colleen Weiss
