

Shared Decision Making Committee Meeting Minutes
April 6, 2022
Room 305

Members present: Nicole Curtin, Kami Farr, Kristin Delehanty

Topics Discussed

Discussed cell phone policy review

- Feel that societal norms surrounding cell phones have changed since policy were written
- Feel it would be appropriate for us to review and suggest changes to Noelle

Discussed ski school

- Initial ideas
 - 4 days during the school day
 - Leave school at 9 return at 2:30
 - Group lesson, lunch break, free ski
 - Alternate winter experience for students who don't want to downhill ski (e.g. XC ski)
- Oak Mt would be happy to work with school
 - Would need to see if instructors are available, curious about our ability levels

DEI Survey

- Looked over Noelle's feedback
- Made changes to make it accessible to the most amount of people
- Potentially would put piles in post office and library with collection boxes.

Next meeting

- May 10th at 4:30

Next meeting topics:

- Follow up on ski school
- Orchestrate dissemination of DEI survey if approved
- Review cellphone policy
