

Project Grade Sheet

NAME:

CLASS PERIOD:

Assignment: HUICHOL YARN PAINTINGS:

Students were introduced to the traditional designs of the Huichol Indians. Students focus on the yarn painting folk art and the meaning behind their visuals. Students discussed symbolism in art and narrative created by symbols. Students were asked to create their own yarn paintings with different symbols that represented them personally.

Students were graded on completion, evidence of understanding symbolism/narrative, craftsmanship, ability to show their understanding and concept with yarn, creativity, and understanding/following assignment directions and expectations.
